## TABLE OF CONTENTS

---

|                                                               |     |
|---------------------------------------------------------------|-----|
| EDITORIAL INTRODUCTION                                        | vii |
| PREFACE                                                       | ix  |
| <b>Part One</b>                                               |     |
| JAAKKO HINTIKKA—Self-Profile                                  | 3   |
| I. An Autobiographical Sketch                                 | 3   |
| II. Reflections on My Philosophical Ideas                     | 9   |
| 1. The Unity of One's Philosophical Experience                | 9   |
| 2. Logical Tools: Ways of World-Describing                    | 10  |
| (i) Model set techniques                                      | 10  |
| (ii) Distributive normal forms                                | 14  |
| (iii) The semantics of modal and intensional logics           | 17  |
| (iv) Possible-worlds semantics                                | 18  |
| (v) Possible-worlds semantics and analytic philosophers       | 21  |
| (vi) Theory of questions and answers                          | 22  |
| (vii) The problems of cross-identification                    | 24  |
| (viii) Wider perspectives                                     | 25  |
| 3. Philosophical Ideas: Transcendental Arguments Revived      | 26  |
| (i) Semantics as based on language-games                      | 26  |
| (ii) Back to Kant                                             | 27  |
| (iii) Kant's theory of space, time, and mathematics           | 28  |
| (iv) A transcendental deduction of game-theoretical semantics | 29  |
| (v) Transcendental deductions of nonclassical logics          | 30  |
| (vi) A glimpse of the rules of semantical games               | 35  |
|                                                               | v   |

## TABLE OF CONTENTS

|                                                                              |    |
|------------------------------------------------------------------------------|----|
| (vii) The logic of being: A refutation of Frege and Russell                  | 36 |
| (viii) Transcendental arguments for (and against)<br>Aristotelian categories | 38 |

### Part Two

|                                                                                                  |     |
|--------------------------------------------------------------------------------------------------|-----|
| VEIKKO RANTALA—Constituents                                                                      | 43  |
| VEIKKO RANTALA and VITALI TSELISHCHEV—Surface<br>Information and Analyticity                     | 77  |
| ESA SAARINEN—Hintikka on Quantifying In and On<br>Trans-World Identity                           | 91  |
| BARRY RICHARDS—Game-Theoretical Semantics and<br>Logical Form                                    | 123 |
| MARCO MONDADORI—Hintikka's Inductive Logic                                                       | 157 |
| KENNETH COLLIER—Hintikka's Epistemic Logic                                                       | 181 |
| DAVID HARRAH—Hintikka's Theory of Questions                                                      | 199 |
| ROMANE CLARK—What Is a "Perceptually Well-Defined<br>Individual"? Hintikka's Views on Perception | 215 |
| DAVID WOODRUFF SMITH—On Objects and Worlds of<br>Thought in the Philosophy of Hintikka           | 233 |
| RICHARD BOSLEY—Hintikka on Modalities and Determinism<br>in Aristotle                            | 247 |
| ROBERT KRAUT—Hintikka's Ontology                                                                 | 261 |
| JAAKKO HINTIKKA—Replies and Comments                                                             | 277 |

### Part Three

|                                 |     |
|---------------------------------|-----|
| BIBLIOGRAPHY OF JAAKKO HINTIKKA | 347 |
| INDEX OF NAMES                  | 379 |
| INDEX OF SUBJECTS               | 381 |
