11	Economic Adjustment, the Mining Sector and the Real Wage in Zambia <i>Dennis Chiwele</i>	210
	<i>Index</i>	235

List of Tables

2.1	Major real interest rates (%): 1968–1980	8
2.2	Major real interest rates (%): 1982–1990	9
2.3	Proportion of SMEs with annual increases in commercial bank credit	15
2.4	Perceptions of major problems by borrowing and non-borrowing proprietors	19
3.1	Average sectoral shares of employment (%)	32
3.2	Average sectoral proportions to total GDP (%)	33
3.3	Proportion of output by activity and by firm (%)	34
3.4	Additional reasons for not shifting from capital to labour in production	37
3.5	Summary of reasons for not shifting	39
3.6	Export versus domestic prices of manufactured goods	41
3.7	Reasons for low exports	42
3.8	ICORs for the manufacturing sector	44
3.9	Main reasons for investing	46
3.10	Reasons for not investing	47
4.1	Real 1990 average annual earnings as a percentage of 1980 and peak 1982 levels	56
4.2	Difference between actual and predicted average annual real consumption earnings (%)	61
4.3	Quantity responses in the tradable and non-tradable goods sectors, annual average growth rates (%): 1981–90	63
4.4	Estimated labour demand functions by sector: 1970–90	67
5.1	Main economic indicators	77
5.2	Intra-regional transfers pattern of maize in Arusha region in the 1980s	83
5.3	Estimates of intra- and inter-regional maize trade in Arusha region in the 1980s	83
5.4	Classification of maize traders on the basis of date of entry in Arusha region	83
5.5	Estimates of the amount of maize marketed through different channels in Arusha region in the 1980s	84
5.6	Classification of maize traders on the basis of mode of transport used in Arusha in 1991	84
5.7	Private traders' storage capacity in Arusha	86
5.8	Maize marketing margin for private traders in Arusha	88
5.9	Maize marketing margin for official channels in Arusha	89
5.10	Regression coefficients for six markets in Arusha (1986–88)	91

5.11	Regression coefficients for six markets in Arusha (1989–91)	92
5.12	Co-operative profits and losses (1986–91)	94
5.13	Co-operative losses from non-marketing operations	95
5.14	National Milling Corporation profit and losses by 31 July of each year	95
6.1	Employment and unemployment in Chile, 1970–1990	117
6.2	Indices of real wages in Chile, 1970–1990	118
6.3	Unemployment in Indonesia, 1982–1990	119
6.4	Wage employment by sector in Indonesia, 1986 and 1990	119
6.5	Real wages indices in Indonesia, 1983–1991	120
7.1	Net ODA as a proportion of imports, 1991	133
7.2	Real interest rates, 1980–92	143
7.3	Real interest rates, 1980–92	144
7.4	Market share and bad debts of government-owned commercial banks in Ghana, Mozambique, Tanzania, Uganda and Zambia prior to restructuring	145
8.1	Health expenditure indicators, 1980–90	163
8.2	Actual distribution of drug kits as a percentage of requirements	165
9.1	Main features of some African emerging stock markets	181
10.1	Educational qualifications held by Zambian employees, 1965 and 1983	194
10.2	Sample of employees by major occupational group and nationality, 1983	195
10.3	Index of real wages/salaries in the civil service, 1966/7–1991/2	199
10.4	Index of public sector compensation: basic salary plus housing benefits	202
10.5	Sex and age profiles of the informal sector	205
11.1	Economic indicators for Zambia: period averages	213
11.2	The financial performance of ZCCM	217
11.3	Classification of industries by tradables and non-tradables sectors	220
11.4	Capital–labour ratio by industry, 1980	220
11.5	Regression results for the SSR model	222
11.6	GFCF as a ratio of GDP and GFCF real index	225
11.7	Share of operating surplus and labour cost in GDP, 1979–89	226

List of Figures

2.1	Commercial bank real deposit rates	11
2.2	SMEs: some costs of borrowing	17
2.3	Real maximum lending rates	18
2.4	Share of bank credit to small farmers	24
3.1	Exchange rate indices	31
3.2	Relative prices	31
3.3	Relative factor prices	35
3.4	Capital-labour ratios	35
4.1	Trends in actual and predicted real average consumption wages: 1980-90	62
8.1	Price changes and contributions to GDP	153
8.2	Price changes and pharmaceutical exports supply	155
8.3	Liberalisation of pharmaceutical imports	160
10.1	Average government real wage	198
10.2	Ratio of director's to lowest paid civil servant's starting salary	200
10.3	Share of personal emoluments in total budgeted expenditure	201
10.4	Cost of a food basket to average government earnings (1975-89)	204
11.1	London metal exchange copper prices: 1962 to 1991	212
11.2	Annual average real wage	214
11.3	Tradables to non-tradables relative price movements (1965-1990)	221
11.4	The capital-labour ratio	222
11.5	The real wage with labour costs at constant share in value added	227
