I Theoretical Models of Financial Development	1
1 Keynesian Monetary Growth Models and the McKinnon-Shaw Financial Development Framework	3
1.1 Introduction	3
1.2 Tobin's Monetary Growth Model	8
1.3 Financial Restriction and Financial Repression	13
1.4 McKinnon-Shaw Financial Development Models	16
1.5 Financial Repression and Dualism	23
1.6 Summary	26
2 McKinnon-Shaw Financial Development Models in the Steady State	28
2.1 Introduction	28
2.2 Kapur	29
2.3 Mathieson	37
2.4 Galbis	43
2.5 Fry	46
2.6 Summary	62

3	Dynamic and Open Economy Extensions to Financial Development Models	64
3.1	Introduction	64
3.2	Dynamics in Extended McKinnon-Shaw Models	66
3.3	Open Economy Extensions to McKinnon-Shaw Models	77
3.4	Summary	86
4	Neo-Structuralist Models	87
4.1	Introduction	87
4.2	Van Wijnbergen	89
4.3	Taylor	94
4.4	The Curb Market	101
4.5	Neo-Structuralist Dynamics	102
4.6	Summary	105
5	The Required Reserve Ratio in Financial Development	108
5.1	Introduction	108
5.2	The Deposit-Maximizing Required Reserve Ratio	109
5.3	Differential Reserve Requirements	118
5.4	Summary	125
II	Econometric Testing of Financial Development Models	127
6	Effects of Financial Conditions in Practice on Saving, Investment, and Growth	129
6.1	Introduction	129
6.2	Saving Rates	131
6.3	Quantity and Quality of Investment	143
6.4	The Rate of Economic Growth	149
6.5	Summary	153
7	Empirical Evidence on Transmission Mechanisms and Income Distribution	155
7.1	Introduction	155
7.2	Financial Saving and Portfolio Allocation	156

7.3	Time Deposits, Curb Market Assets, and Credit Availability	158
7.4	Income Distribution and Industrial Concentration	162
7.5	Summary	164
8	Effects of Financial Liberalization on Inflation and Short-Run Growth	166
8.1	Introduction	166
8.2	Inflation and Short-Run Growth in Turkey	167
8.3	Inflation and Short-Run Growth in Some Asian Developing Countries	174
8.4	Van Wijnbergen's Model of Inflation and Short-Run Growth in Korea	181
8.5	Summary	185
9	Causes and Effects of Monetary Policies in Some Developing Countries	187
9.1	Introduction	187
9.2	The Money Supply Process in Turkey	188
9.3	Capital Flows and Monetary Policy Regimes	203
9.4	Monetary Policy Regimes and Economic Growth	221
9.5	Summary	227
III	Microeconomic and Institutional Aspects of Financial Development	231
10	Financial Institutions, Instruments, and Markets	233
10.1	Introduction	233
10.2	Financial Intermediation	234
10.3	Functional Efficiency	237
10.4	Financial Sector Development	240
10.5	Allocative Efficiency of Financial Intermediation	248
10.6	Financial Instruments and Markets	256
10.7	Summary	259

11	Financial Institutions and Markets in Developing Countries	261
11.1	Introduction	261
11.2	Commercial Banks	263
11.3	Financial Intermediation Costs	266
11.3.1	Operating Costs	267
11.3.2	Causes of Excessive Operating Cost Ratios	270
11.3.3	The Reserve Requirement Tax	273
11.3.4	Arrears, Delinquency, and Default Costs	275
11.4	Financial Layering	280
11.5	Universal Banking	281
11.6	Conglomerates	284
11.7	Finance Companies	285
11.8	Financial Institution Management	286
11.9	Undeveloped Bond and Equity Markets	288
11.10	Interbank Money Markets	292
11.11	Indigenous Financial Institutions	292
11.12	Summary	298
12	Government Intervention in the Financial Sector	300
12.1	Introduction	300
✓12.2	Government Regulations and the Efficiency of the Financial Sector	301
12.3	Discriminatory Taxation of Financial Intermediation	306
12.4	Credit and Exchange Rate Guarantee Schemes	307
12.5	Government-Owned Financial Institutions	308
12.6	Specialized Financial Institutions	312
12.7	Deposit Insurance	316
12.8	Bank Supervision	318
12.9	Legal Environment for Financial Intermediation	319
12.10	Summary	322

IV	Monetary and Financial Policies in Economic Development	323
13	Macroeconomic Environment and Macroeconomic Policies	325
13.1	Introduction	325
13.2	Worldwide Inflation	327
13.3	Financial Instability and Crises	335
13.4	Macroeconomic and Financial Sector Policy	340
13.5	Summary	345
14	Monetary and Financial Policies in Four High-Growth Developing Countries	347
14.1	Introduction	347
14.2	Financial Structure, Development, and Reform in the Gang of Four	<u>350</u>
14.2.1	Hong Kong	<u>350</u>
14.2.2	Singapore	<u>353</u>
14.2.3	Taiwan	<u>354</u>
14.2.4	Korea	356
14.3	Exchange Rate Policies of Asia's Super Exporters	357
14.3.1	The Bretton Woods System	357
14.3.2	After Bretton Woods	359
14.4	Monetary Policy in Asia's Super Exporters	361
14.4.1	Hong Kong	362
14.4.2	Singapore	365
14.4.3	Taiwan	367
14.4.4	Korea	370
14.5	Summary	373
15	Interest Rate Policies	376
15.1	Introduction	376
15.2	Level and Structure of Deposit Rates of Interest	382
15.3	Institutional Lending Rates of Interest	389
15.4	Interest Rate Policies in the Philippines and Thailand	392
15.5	Summary	396

16	Selective Credit Policies	398
16.1	Introduction	398
16.2	Selective Credit Policy Techniques	399
16.3	Objectives of Selective Credit Policies	410
16.4	Summary	417
17	Policies for Financial Development	419
17.1	Introduction	419
17.2	Prerequisites for Successful Financial Development	425
17.3	A Path through the Minefield	432
17.4	Summary	440
	Bibliography	443
	Index	491
