## CONTENTS

Introduction	ix
 Chapter 1. Historiography and Models of Study	
1.1. Historiographical Survey .....	1
1.2. Problems of Studies .....	7
1.3. Models of Production .....	8
1.3.1. Mining and Metallurgy .....	8
1.3.2. Metalworking .....	11
1.4. Models of Distribution .....	16
 Chapter 2. The Role of Metals in the Period of Greek Colonization	
2.1. Mining according to Ancient Written Sources .....	21
2.2. Mining according to Archaeological and Archaeometallurgical Studies .....	21
2.2.1. Metalworkshops in the Light of Archaeological and Archaeometallurgical Studies .....	34
2.2.2. Workshops in the Light of the Stylistic Analysis of Metal Objects .....	38
2.2.2.1. The Geometric Period .....	38
2.2.2.2. The Archaic Period .....	53
2.2.3. Metalworking in the Period of Greek Colonization .....	76
2.2.3.1. General Characteristics .....	76
2.2.3.2. The Division of Labour and Specialization of Crafts .....	82
2.2.3.3. Migrations of Craftsmen .....	86
2.2.3.4. The Place of Metalworkers in the Social Structure of Society .....	92
2.3.1. Prices of Metals .....	96
2.3.2. The Transportation of Metals .....	97
2.3.3. The Distribution of Metal Objects .....	103
2.3.3.1. Votive Offerings at Sanctuaries .....	103
2.3.3.2. Burial Inventories .....	115
2.3.3.3. Trade .....	116
2.4.1. The Role of Metals in the Greek Economy of the 8th-6th Centuries B.C. ....	120
2.4.2. The Search for Metals and the Greek Colonization	146

### Chapter 3. The Role of Metals in the Classical Era

3.1.	Mining according to the Classical Written Sources	182
3.2.	Mining in the Light of Archaeological and Archaeometallurgical Studies .....	187
3.2.1.	Metalworking Shops in the Light of Archaeologi- cal and Archaeometallurgical Studies .....	190
3.2.1.1.	Metalworking Shops in Town Structures .....	194
3.2.2.	Workshops in the Light of the Stylistic Analysis of Metal Objects .....	197
3.2.3.	Classical Metalworking .....	213
3.2.3.1.	General Characteristics .....	213
3.2.3.2.	The Process Forming of Large Metal Workshops ...	218
3.2.3.3.	The Specialization of Craft Industry, the Copying and Reproduction of Originals .....	230
3.2.3.4.	Workshops and Schools .....	233
3.2.3.5.	Migrations of Craftsmen. Greek Craftsmen on the Periphery of the Classical World .....	237
3.2.3.6.	Oriental Craftsmen in Greek Workshops? .....	243
3.2.3.7.	Wandering Barbarian Craftsmen in the Greek World? .....	244
3.3.1.	Prices of Metals .....	248
3.3.2.	Trade in Metals .....	252
3.3.3.	The Distribution of Metal Objects .....	260
3.3.3.1.	Trade .....	260
3.3.3.2.	The Distribution of War Booty. Dedications at the Sanctuaries .....	262
3.3.3.3.	"Technological Redistribution" .....	266
3.3.3.4.	Burial Inventories .....	269
3.3.3.5.	"Irreversible Depositing" .....	269
3.4.	The Role of Metals in Economic and Political Developments in the Classical Era .....	270

### Chapter 4. The Role of Metals in the Hellenistic Era

4.1.1-2.	Mining in the Light of Ancient Written Sources and of the Results of Archaeological and Archaeo- metallurgical Studies .....	288
4.2.1.	Metalworkshops in the Light of Archaeological and Archaeometallurgical Studies .....	294
4.2.1.1.	Metalworkshops in the Infrastructure of Cities .....	298
4.2.2.	Workshops in the Light of the Stylistic Analysis of Metal Objects .....	298

4.2.3.	Metalworking in the Hellenistic Era .....	324
4.2.3.1.	General Characteristics .....	324
4.2.3.2.	Specialization of Crafts, and the Copying and Reproduction of Originals .....	328
4.2.3.3.	Migrations of Craftsmen .....	331
4.2.3.4.	Greek Metalworking and its Influence on the Formation of New Centres of Toreutic and Artistic Metalwork .....	338
4.3.1.	Prices of Metals and Changes in Recipes for Alloys .....	341
4.3.2.	Trade in Metals .....	347
4.3.3.	The Distribution of Metal Objects .....	361
4.3.3.1.	Trade .....	361
4.3.3.2.	The Distribution of War Booty .....	364
4.3.3.3.	"Technological Redistribution" .....	367
4.3.3.4.	Burial Inventories .....	369
4.3.3.5.	"Necrocorinthia" .....	369
4.3.3.6.	"Irreversible Depositing" .....	369
4.4.	The Role of Metals in Economic and Political Developments in the Hellenistic Era .....	370
	Conclusion .....	388
	Appendix I. Bibliography .....	404
	Appendix II. List of Abbreviations .....	455
	Appendix III. List of Illustrations .....	461
	Appendix IV. Index .....	464
	Appendix V. Illustrations .....	483
