Contents

Figures ix

Tables xiii

Preface and Acknowledgments xvii

1 An Overview 1

Instability and Growth of Food Production and Their Effect on
Food Security 6

Food Security under Instability: Identification and Measurement 7

Policy Analysis under Instability 11

Food Policies under Instability 15

2 The Model for Policy Analysis and the Solution Method 23

Supply Analysis under Instability: Stochastic Yields, Expectations,
and Risk Response 24

The Model 40

The Solution Method in the Stochastic-Dynamic Model 40

Other Features of the Model 48

Numerical Optimization in a Simulation Analysis 51

Development of the Model and Future Extensions 52

3 Trade and Trade Policies under Instability 59

Trade Creation under Instability: The Theory 66

Trade Creation and the Effects of Trade under Instability: Some
Simulation Illustrations 73

Trade Instability and Uncertainty 77

The Theory of Variable Levies and Stabilizing Trade Policies 83

Simulation Analysis 95

Trade Policies and Price Distortions in Wheat, 1968–1980 101

- 4 A Comparative Analysis of Alternative Producers' Support and Stabilization Program 123**
 - The Model, Data, Parameters, and Policy Rules 124
 - Main Results 127
 - Some Sensitivity Analysis 130
 - Minimum Price Support: Alternative Schemes 132
 - Government Procurement 133
 - Price and Income Effects of Price Policies on Farmers' Own Demand and Excess Supply 137
 - The Programs with Farmers' Income Effect 145
 - Farmers' Stocks and Marketing Decisions and Their Effects on Price Variability in Urban Markets 149
 - Agricultural Trade Policies 157
- 5 Food-Distribution Policies: Price Subsidies and Income Transfers 163**
 - The Cost-Effectiveness of Alternative Target-Group Transfer and Subsidy Programs 164
 - Measures of Food Insecurity under Instability 174
 - Food-Distribution Policies under Instability 181
 - Simulation Analysis: Data, Parameters, and Policy Rules 185
 - Simulation Results: The Base Case 189
 - Distribution Programs Targeted on Urban Consumers and Their Effects on Rural Consumers 195
 - Distribution Programs in an Open Economy 198
 - Concluding Remarks 203

Appendix 5A: List of Symbols 205
- 6 Grains Price Stabilization and Food-Security Policy in Turkey 207**
 - The Model, Parameters, and Policy Rules 208
 - Simulation Results 219
 - Conclusions 225
- 7 Nonmarket Policies: An Illustration for Pakistan 227**
 - Alternative Distribution Programs: A Comparative Evaluation in a Prototype Model 227
 - Government Procurement and Distribution of Wheat in Pakistan 234
- Index 247**
- About the Author 253**
