- IV. Resolution 678 and Soviet peace proposals 34
- V. Building an economic partnership 37
- VI. US policy and the disintegration of the USSR 40
- VII. The USA, the Commonwealth and beyond 48

4. Moscow's nationalities problem: the collapse of empire and the challenges ahead 55

Daria Fane

- | | |
|---|----|
| I. Introduction: the multinational Soviet Union | 55 |
| II. Lessons about empires | 56 |
| III. Creation of the Russian empire | 59 |
| IV. The Soviet Union as empire | 60 |
| V. The collapse of the Soviet empire | 62 |
| VI. The challenge of national independence | 64 |
| VII. The future of the Commonwealth: centripetal and centrifugal forces | 69 |
| VIII. The international implications of the Soviet breakup | 71 |
| IX. Conclusion: causes for optimism | 74 |

5. A national security policy for Russia 75

Sergey Rogov

- | | |
|--|----|
| I. Introduction | 75 |
| II. Three circles of Russian interests | 76 |
| III. Creating a defence community | 77 |
| IV. The Russian Army in transition | 78 |
| V. Russian-US partnership | 79 |

6. The creation of a Russian foreign policy 81

Mikhail E. Bezrukov

- | | |
|---|----|
| I. Introduction | 81 |
| II. The collapse of the Soviet Union | 81 |
| III. Emerging republic foreign policy | 82 |
| IV. The development of independent Russian foreign policy | 82 |
| V. Western policies towards centre-republic relations | 88 |
| VI. The future of Russian foreign policy | 91 |
| VII. Recommendations for the West | 93 |

7. Issues and images: Washington and Moscow in great power politics 94

David Kaiser

- | | |
|---|-----|
| I. Introduction | 94 |
| II. Issues and images, 1945-89 | 95 |
| III. Issues and images, 1991 and beyond | 102 |

Part III. Military power and international stability

8. Theatre forces in the Commonwealth of Independent States 113

Edward B. Atkeson

- | | |
|---|-----|
| I. Introduction | 113 |
| II. The political-military environment | 114 |
| III. The impact of <i>perestroika</i> on CIS theatre forces | 118 |
| IV. Development of CIS operational thinking in the 1990s | 123 |

V.	The impact of the Persian Gulf War on military thinking in the CIS	130
VI.	Implications of CIS operational thinking on force structure in the year 2000	133
VII.	CIS force structure options in the year 2000	135
VIII.	Mobilization	147
IX.	A final note	149
Table 8.1.	CIS peacetime order of battle: option 1, base case	139
Table 8.2.	Alignment of national forces	142
Table 8.3.	CIS forces in ATTU in the year 2000: option 2, separate national forces	143
Table 8.4.	CIS peacetime order of battle: option 3, NATO-compatible forces	146
Table 8.5.	CIS peacetime order of battle: theatre forces equipment standards	148
9.	US theatre forces in the year 2000	150
	<i>Edward B. Atkeson</i>	
I.	Introduction	150
II.	Force dimensions	150
III.	Conceptual organization	152
IV.	US military thinking about theatre warfare in the 21st century	153
V.	The nature of US theatre forces in the year 2000	159
VI.	The view from NATO	162
VII.	The reinforcement problem: strategic lift	165
VIII.	Reserve structure	167
IX.	A final word	168
10.	High technology after the cold war	169
	<i>Benoit Morel</i>	
I.	Introduction	169
II.	Developments in US military high technology	170
III.	The problem of technological development in Russia	176
IV.	Impact on global and regional security	180
V.	Managing technological competition	181
11.	The metastable peace: a catastrophe theory model of US–Russian relations	185
	<i>Irving Lachow</i>	
I.	Introduction	185
II.	Why use a model?	188
III.	Which model to use?	189
IV.	Model analysis	199
V.	Final observations	205
Figure 11.1.	A taxonomy of mathematical models	187
Figure 11.2.	Diagram of stability, instability and metastability	188

Part IV. Building a new security relationship

12. Co-operation or competition: the battle of ideas in Russia and the USA	209
---	------------

Steven Kull

I. Introduction	209
II. The roots of the interest in security co-operation	209
III. The effort at <i>détente</i>	212
IV. New thinking	214
V. The new emphasis on co-operation	215
VI. The US response to new thinking	216
VII. The Bush Administration	218
VIII. Security co-operation as seen by Russian foreign policy experts	219
IX. Conclusion	222

13. Building a Eurasian–Atlantic security community: co-operative management of the military transition	224
--	------------

William W. Newmann and Judyth L. Twigg

I. Introduction	224
II. Conflict and chaos in the Soviet military	226
III. Near-term measures	236
IV. Military-to-military co-operation	241
V. Joint missions and allied operations	243
VI. Conclusion: institutionalizing the Eurasian–Atlantic security community	245

14. Russian–US security co-operation on the high seas	249
--	------------

Steven E. Miller

I. Introduction	249
II. Why expand the arms control regime at sea?	250
III. Existing measures	252
IV. Expanding security co-operation at sea	259
V. Conclusion	271

15. Defence planning: the potential for transparency and co-operation	272
--	------------

Judyth L. Twigg

I. Introduction	272
II. Budget and procurement processes	273
III. The tangibles: weapon procurement	279

IV. The intangibles: military budgets, doctrine, strategy and organization	282
V. Conclusion: moving towards an uncertain future	288
Table 15.1. The structure of US and Soviet defence expenditures, 1990	283
