Abbreviations	xii
Chapter 1 INTRODUCTION	1
I.General Aim of the Study	1
II.State of Research on TISCO	3
III.Plan of the Study	4
IV. TISCO - A Descriptive Profile	4
1. A Brief Historical Survey of Iron and Steel Making in India Prior to the Twentieth Century	4
2. Genesis and Growth of India's First Integrated Steelworks (TISCO)	6
i. Background	6
ii. Capacity Expansion and Output Growth	8
iii. Steel Township - Jamshedpur	12
V.Theoretical Framework - A Brief Outline	13
1.The Concept of Capital Accumulation	13
2.The Logic of the Capital Accumulation Process	14
3.The Labour Process and the Process of Valorisation	15
4.The Concept of Worker Struggle	16
5.Worker Struggle vs. Managerial Counter-Pressure	16
6.Problem Areas Specified	17
 Appendix	 19
 Notes	 20
Chapter 2 DETERMINING THE POSITION OF THE AGENTS OF PRODUCTION IN TISCO	24
I.Introduction	24
II.Composition of the TISCO Labour Force - Its Origins and Subsequent Growth	24

1.Origins and Growth of the TISCO Labour Force	25
i. The Labour Force in the Formative Period (1907-1930)	26
ii. Period of Stability in the Labour Force Structure (1930-1970)	31
2.An Alternative Approach to TISCO Labour Force Classification	34
i. An Alternative Classification	34
ii. The Contractors' Labour	35
III.Representatives of Capital at TISCO	36
1.TISCO and Tata Capital - Genesis and Growth	38
i. The Genesis of Tata Capital and Jamsetji Tata	40
ii. The Growth of Tata Capital and the Managing Agency System	41
iii. The Managing Agency Firms of the House of Tata	43
iv. Tata Sons Ltd. & TISCO	45
2.Organisation Structure of TISCO Management	46
i. The Scope of Influence of Tata Sons Ltd. within the TISCO Management	46
ii. Organisation of Management Staff	48
(a)The General Management	48
(b)Personnel Management	52
(c)Changes in Organisation Structure	53
iii. Concluding Remarks	58

Appendix 59

Notes 63

Chapter 3 CONTROL AND CONFLICT IN THE LABOUR PROCESS IN TISCO 73

I. Introduction	73
II. Processes of Control over Techniques of Production	74
1.Changes in Process Technology	74
i. Process Technology in the Early Years	74
ii. Changes in Various Stages of Process Technology	76
iii. Modern Technology and Managerial Control	77
2.Thrust for an Effective Utilisation of Equipment	78
i. A Brief Assessment	80
ii. Planned Maintenance	81
III.Managerial Control Function and Work Organisation	82
1.TISCO's Work Organisation till 1945	85
i. General	85
ii. Managing Aspect	87

iii. Motivating Aspect	90
2. New Form of Work Organisation	94
i. General	94
ii. New Forms of Controlling the Worker	96
(a) Management-Union Cooperation	96
(b) A New Incentive Scheme & Time Study	97
(c) Job Evaluation Programme	101
(d) Impact of Work Study Techniques on Work and Worker	102
Strategy of Manpower Reduction	102
Intensification of Pace of Work	103
Productivity Increase	104
(e) Workers' Response to Management Strategy	108
(f) The Managerial Counter-Strategy	110
iii. A New Machinery for Grievance Handling	112
(a) General	112
(b) A Brief Assessment	113
iv. A New Motivational Element for Better Labour Performance - A Scheme of "Joint Consultation in Management"	115
(a) General	115
(b) Scope and Objective	117
(c) Structural Pattern	118
(d) Mode of Functioning	119
(e) Some Concluding Remarks	120
IV. Conflicts Over Working Conditions	121
1. Hours of Work	122
2. Leave Benefits	125
3. Hazards of Work and their Consequences	127
i. Accidents and Safety Measures	128
ii. Industrial Diseases	132
iii. The Problem of Absenteeism	135
V. Conclusions	136

Notes 139

Chapter 4 CONTRADICTIONS IN THE DISTRIBUTION RELATIONS WAGE-PROFIT NEXUS IN TISCO 152

I. Introduction	152
1. A Note on Sources of Data	155
i. Statistics Bearing on Wage Relations	155
ii. Financial Statistics for Estimating Profits	157
II. "Lack of Bargaining Era" and Bumper Profits, 1911-20	158
1. General	158
2. Wage Structure and Movement	159

3.	Bumper Profits in the Early Years	162
4.	Relation between Movements of Real Wages and Distribution of Profits	163
III.	Era of Balance of Power in Bargaining and Fluctuations in Profits, 1920-46	164
1.	General	164
2.	Wage Structure and Movement	165
3.	Movements of Profits and Wages	170
IV.	Era of Collective Bargaining and Stability in Profit Trends, 1946-62	173
1.	General	173
2.	Wage Structure	174
3.	Wage Movements since 1946	176
4.	Profitability Trends	180
5.	Trends in Wages and Profits	187
V.	Era of State Regulation in Wage Settlement, 1962-70	189
1.	General	189
2.	Wage Structure	191
3.	Trends in Real Wage and Labour Productivity	195
VI.	Conclusions	200

Notes 202

Chapter 5 INDUSTRIAL RELATIONS IN TISCO - CONFLICT OR CONSENSUS? 211

I.	Introduction	211
II.	Industrial Relations in TISCO: Description of Events and Organisation	215
1.	Early Worker Militancy vs. Coercive Management Policies, 1910-46	216
i.	The Strike of 1920	216
ii.	The Strike of 1922	218
iii.	The Strike of 1928	220
iv.	Partial Setback and Renewed Militancy in the 1930s and Thereafter	226
2.	Radical Instability in Trade Unionism and Managerial Incorporation plus Coercion Policies, 1946-58	227
i.	The Central Mazdoor Committee and the Strike in 1949	228
ii.	The Jamshedpur Mazdoor Union and the Strike of May 1958	231
3.	Stability in Union-Management Relations,	

1958-70 235

III. Industrial Relations in TISCO: An Explanation 236

1. Worker Organisation 237

 i. Worker Organisation- Trade Unions in
 Jamshedpur 237

 (a) Trade Union Aims 237.

 (b) Organisation Structure 240

2. Worker Action 243

3. Managerial Counter-Strategy 245

IV. Conclusions 246

Appendix 251

Notes 256

Chapter 6 SOME GENERALISED CONCLUDING REMARKS 268

I. Introduction 268

II. Contributions of this Research 269

III. Some Theoretical and Methodological Issues
 Pertinent to Historical Analysis 271

Notes 279
