<i>Foreword by Iftikhar Ahmed</i>	xii
1 Introduction	1
1.1 The problem of poverty and resource degradation	1
1.2 Poverty and incentives	4
1.3 The structure of the study	7
2 Secular Trends and Environmental Degradation in Sub-Saharan Africa	14
2.1 Climate change	14
2.1.1 <i>Climate change and ecosystem resilience</i>	16
2.1.2 <i>Climate change and agriculture in Sub-Saharan Africa</i>	17
2.2 Population growth	18
2.2.1 <i>Population growth and resource utilization</i>	18
2.2.2 <i>Population stability and ecosystem resilience</i>	20
2.3 Property rights	23
2.3.1 <i>Traditional property rights</i>	24
2.3.2 <i>The evolution of property rights in Sub-Saharan Africa</i>	25
2.3.3 <i>Security of tenure and resource degradation</i>	26
3 Environmental Management in Sub-Saharan Africa	29
3.1 Risk management and innovation in the rural economy	29
3.1.1 <i>The management of market risks</i>	30
3.1.2 <i>Water risks in dryland environments</i>	32
3.2 Price incentives	34
3.2.1 <i>Price liberalization</i>	36
3.2.2 <i>Incentive effects</i>	37
3.2.3 <i>The problem of non-traded resources</i>	39

3.3	Income and asset distribution	40
3.3.1	<i>Rural poverty in Sub-Saharan Africa</i>	41
3.3.2	<i>Poverty and the rate of discount</i>	42
4	Botswana: Economy and Environment	44
4.1	Structure and trends	46
4.1.1	<i>Output</i>	46
4.1.2	<i>Employment</i>	48
4.2	The rural economy	51
4.2.1	<i>The livestock sector</i>	53
4.2.2	<i>Arable agriculture</i>	58
4.2.3	<i>Off-farm economic activity</i>	64
4.3	Concluding remarks	69
5	Economic Policy and Economic Incentives	70
5.1	The livestock sector	72
5.1.1	<i>Property rights</i>	72
5.1.2	<i>Pricing structures</i>	75
5.1.3	<i>Subsidies and taxes</i>	77
5.2	The arable sector	79
5.2.1	<i>The pricing structure</i>	79
5.2.2	<i>Taxes and subsidies</i>	81
5.3	Other incentive effects of policy	84
5.3.1	<i>Agricultural credit</i>	84
5.3.2	<i>Exchange rates</i>	87
6	Income and Asset Distribution	91
6.1	The distribution of income	91
6.1.1	<i>The 1985/86 Household Income and Expenditure Survey</i>	91
6.1.2	<i>Market engagement, income and asset distribution</i>	96
6.2	Rural poverty and support for the destitute	100
6.3	The incentive effects of public transfers	104
6.3.1	<i>Sample characteristics</i>	104
6.3.2	<i>Savings, investment and public cash transfers</i>	109
7	Policy Reform	114
7.1	Review of price and income policy	116
7.1.1	<i>Price control, subsidies and income support</i>	117
7.1.2	<i>Industrial licensing and rural diversification</i>	119

7.1.3	<i>Minimum wage policy and rural wage income</i>	120
7.2	The Botswana National Conservation Strategy	122
7.2.1	<i>Diversification in the BNCS</i>	123
7.2.2	<i>Environmental statistics and resource accounting</i>	126
7.2.3	<i>The economic implications of the BNCS</i>	135
8	Incentives for Sustainable Development	138
8.1	Incentives for the ecological sustainability of agriculture	138
8.1.1	<i>The domestic resource cost of agriculture</i>	140
8.1.2	<i>Incentive reform</i>	142
8.2	Implications for the development of drylands	146
8.2.1	<i>'Variable' and 'user-enabling' incentives</i>	147
8.2.2	<i>Risk and uncertainty</i>	149
9	Population, Employment and the Environment	152
9.1	Population and carrying capacity	153
9.2	Population, employment and the incentive structure	157
9.2.1	<i>Fertility and income risks</i>	159
9.2.2	<i>Fertility and agricultural labour</i>	161
9.2.3	<i>Fertility: education and other factors</i>	162
9.2.4	<i>Population externality</i>	163
9.3	Population growth and employment generation	165
9.3.1	<i>Diversification and employment generation</i>	165
9.3.2	<i>Public sector employment generation: environmentally-compensating projects</i>	169
9.3.3	<i>Population policy</i>	170
10	Concluding Remarks	176
 <i>Appendices</i>		179
1	<i>Table: Botswana economic profile</i>	180
2	<i>Table: Botswana and Sub-Saharan Africa: a socioeconomic comparison</i>	182

4	<i>Regression results: expenditure against income sources (share data)</i>	190

5	<i>Map: land tenure in Botswana</i>	196
6	<i>Map: vegetation in Botswana</i>	197
7	<i>Map: Ministry of Agriculture facilities</i>	198
	<i>Notes and References</i>	199
	<i>Bibliography</i>	202
	<i>Index</i>	212

List of Tables

4.1	GDP by sector: 1979/80–1988/89	45
4.2	Employment by sector	47
4.3	Livestock production, 1980–1989	55
4.4	Producer prices paid by BAMB	61
4.5	Yields per hectare planted, 1979/80–1988/89	61
5.1	Principal features of the major agricultural programmes	71
5.2	BMC Index of average value of livestock purchases	76
5.3	Indices of producer prices and crop purchases, BAMB, 1982/3–1989/90	80
5.4	Estimated cost of the agricultural development and relief programmes, 1981/2–1987/8	83
5.5	Agricultural lending by the NDB and commercial banks, 1980–1987	86
6.1	Rural income distribution	94
6.2	Transfers in rural income	95
6.3	Proportion of households owning or having access to rural assets	100
6.4	Rural poverty 1985/86	101
7.1	Resource user accounts: sectoral classification	129
7.2	Resource user account for the livestock sector, 1979/80–1985/86	130
7.3	Stock account for the livestock sector, 1979/80 and 1985/86	132
9.1	Household composition: Botswana 1985/6	158
9.2	Fertility, mortality and nutrition	160
9.3	Economic activity of young persons: Botswana 1985/6	161

List of Figures

3.1	Real agricultural commodity prices, 1950–1986	38
4.1	Sectoral GDP at constant 1979/80 prices	46
4.2	Employment by sector	48
4.3	Formal sector employment gap	48
4.4	Real agricultural GDP per capita	52
4.5	Rainfall as a percentage of long run average in selected countries	53
4.6	Livestock population, 1980–1989	56
4.7	Total crop production, 1980–89	62
4.8	Ratio of area harvested to area planted, sorghum and maize	63
4.9	Air passenger traffic: Maun	68
5.1	Cattle: index of real average value	75
5.2	Goats: index of real average value	77
5.3	Sorghum and maize: indices of purchases and real producer prices	81
5.4	Share of bank lending to agriculture, commerce and households, 1981–1989	85
5.5	Exchange rate indices	88
6.1	Impact of subsidies on production for direct consumption	98
6.2	Proportion of rural food consumption by income and source	99
6.3	Registered destitutes: rural Botswana	103
6.4	Demographic distribution of households	105
6.5	Income distribution by gender of household head	107
6.6	Leverage plots: public transfer income on savings and capital expenditure shares (whole sample)	110
6.7	Leverage plots: public transfer income on savings and capital expenditure shares (first quartile)	111
