Contents

Preface	xiii
Terms and Abbreviations	xvii
1 Technical Change and Rural Poverty	1
<i>Equity Issues: The Early Assessments</i>	2
Widening Regional Disparities	2
Income Differentials	5
Employment Aspects	8
Agrarian Unrest	10
<i>Broader Implications of the Early Assessments</i>	11
Quantifying the Indian Case	12
<i>Gains from Green Revolution Technology</i>	14
Increased Food Production	14
Making the Small Landholding Viable	16
<i>Emerging Trends: Second-Generation Effects</i>	18
Broadening the Regional Impact	18
Reducing Income Disparities	19
<i>Organization of the Book</i>	20
2 The Green Revolution in Uttar Pradesh: The Widening and Subsequent Narrowing of Regional Disparities	23
<i>Profile of Uttar Pradesh</i>	23

Geographical Characteristics	24
Agrarian Structure	27
<i>Historical Perspective on East-West Disparities</i>	30
Causes of Uneven Development	32
Growth of Infrastructure	34
Is History Repeating Itself?	35
<i>State Intervention to Correct Imbalances</i>	36
Land Reform	36
Reorganizing Irrigation Priorities	37
<i>Widening and Subsequent Narrowing of Regional Disparities</i>	38
Agricultural Performance: Macro Evidence	38
The Growing Importance of Rural Growth Centers	50
Development of Infrastructure	54
<i>Income Differentials: Evidence from Micro Studies</i>	55
Initial Indicators of Growing Inequality	56
Subsequent Signs of Improvement	57
<i>Appendix</i>	59
 3 Income Diffusion over Time: Walidpur Village	 63
Profile of Walidpur Village	66
Comparison with Meerut District and Western Uttar Pradesh	67
Walidpur and Daurala Growth Center	68
<i>The Benchmark and Present Studies</i>	69
Data Collection	70
<i>Impact of the Green Revolution</i>	71
Changes in Agrarian Structure	72
Changes in Agricultural Performance	76
<i>Income Diffusion over Time</i>	81
Changes in the Level of Household Income	82
Changes in the Composition of Household Income	84
Changes in Income Distribution	85
Anticipating Future Income Distribution	86
<i>Appendix</i>	90
 Photographs	 97

4	Mechanisms of Income Diffusion: Meerut District	105
	<i>Profile of Meerut District</i>	105
	Demographic Characteristics	106
	Agricultural Performance	106
	Reasons for Selecting Meerut	108
	<i>Mechanisms of Income Diffusion</i>	110
	Off-Farm Diversification	110
	Dairying as a Source of Income Diffusion	115
	Cultivation of High-Value, Labor-intensive Crops	117
	<i>Methodology and Data Collection</i>	119
	Selection of Villages for Case Studies	119
	Estimation of Household Income	122
5	Off-Farm Diversification: Rampur Village	127
	<i>Profile of Rampur Village</i>	127
	Changes in Agrarian Structure	129
	Changes in Agricultural Performance	130
	Changes in Employment Patterns	130
	<i>Increasing Importance of Off-Farm Activities</i>	131
	Appeal of Off-Farm Employment	133
	Impact of Off-Farm Employment on Crop Cultivation	134
	Factors Influencing Off-Farm Employment	136
	<i>Income Diffusion in Rampur</i>	140
	Diversification of Household Income	140
	Implications for Income Distribution	142
	<i>Household Economic Strategies</i>	144
	Resources and Objectives	144
	Gaining Access to Capital	146
	Gaining Access to Skills and Education	147
	<i>Case Studies</i>	147
	Landless Households	148
	Marginal Households	157
	<i>Appendix</i>	168
6	Dairying as a Source of Income Diffusion: Izarपुर Village	176
	<i>Profile of Izarपुर Village</i>	176
	"Occupants of the Front Room"	177

Changes in Agrarian Structure	178
Changes in Employment Patterns	179
Changes in Agricultural Performance	180
<i>The Appeal of Dairying to Small Producers</i>	181
Participation of Small Producers	184
Factors Influencing Dairying Activities	187
<i>Income Diffusion in Izarpur</i>	190
Income from Dairying	190
Implications for Income Distribution	191
<i>Household Strategies</i>	193
<i>Case Studies</i>	194
Landless Households	194
Marginal Households	201
<i>Appendix</i>	205
 7 Labor-intensive Cultivation of High-Value Crops:	
Jamalpur Village	211
<i>Profile of Jamalpur Village</i>	211
Changes in Agrarian Structure	213
Changes in Employment Patterns	214
Changes in Cropping Patterns	214
<i>Growing Importance of High-Value, Labor-intensive Crops</i>	217
Appeal of High-Value, Labor-intensive Crops	217
Changes in Cropping Patterns	218
Obstacles to Adoption by Marginal Landholders	220
<i>Income Diffusion in Jamalpur</i>	224
Implications for Income Distribution	224
<i>Household Strategies</i>	226
<i>Case Studies</i>	228
<i>Appendix</i>	234
 8 Speeding up Income and Employment Diffusion: Some Policy Implications	239
<i>Summary of Findings</i>	240
Regional-Level Comparison	240
Village-Level Studies	241

Household Case Studies	241
Is the Case of Meerut and Western Uttar Pradesh Applicable to Other Regions of India?	242
<i>Hastening the Income Diffusion Process</i>	243
Encouraging the Rural Off-Farm Sector	244
Encouraging Animal Husbandry	251
Improving Government Antipoverty Programs	253
<i>Summing Up</i>	254
Appendix Decomposition of the Gini Coefficient by Sources of Income	256
References	259
Index	269
