1.4 Organization and Main Conclusions of the Book .....	47
<b>2 Dynamic Suppliers Selection: Single or Dual Sourcing?</b> .....	49
2.1 Introduction .....	49
2.2 The Problem and Assumptions .....	51
2.3 Single Period Analysis .....	52
2.4 Analysis of the Two-Period Problem .....	57
2.5 A Special Case: Deterministic Demand .....	65
2.6 Numerical Examples .....	73
2.7 Concluding Remarks .....	75

<b>3</b>	<b>Sourcing Strategy of Retailer and Pricing Strategies of Suppliers .....</b>	<b>77</b>
3.1	Introduction .....	77
3.2	The Problem .....	80
3.3	The Centralized Supply Chain.....	82
3.4	The Decentralized Supply Chain .....	85
3.4.1	The Optimal Strategy of the Retailer .....	85
3.4.2	The Optimal Strategies of Competitive Suppliers .....	87
3.4.3	The Optimal Strategies of Cooperative Suppliers .....	90
3.5	Numerical Examples .....	93
3.6	Concluding Remarks.....	97
<b>4</b>	<b>Dynamic Inventory Management with Cash Flow Constraints.....</b>	<b>105</b>
4.1	Introduction .....	105
4.2	Assumptions and Model Formulation .....	107
4.3	The Optimal Inventory Control Strategy with Cash Flow Constraints .....	109
4.4	Numerical Examples .....	116
4.5	Concluding Remarks.....	118
<b>5</b>	<b>Dynamic Inventory Management with Short-Term Financing .....</b>	<b>127</b>
5.1	Introduction .....	127
5.2	Assumptions and Model Formulation .....	128
5.3	The Optimal Inventory Control Strategy with Short-Term Financing .....	130
5.4	Numerical Examples .....	135
5.5	Concluding Remarks.....	137
<b>6</b>	<b>Delayed Cash Payment, Receivable and Inventory Management .....</b>	<b>149</b>
6.1	Introduction .....	149
6.2	Assumptions and Model Formulation .....	150
6.3	Delayed Cash Payment Offered by the Retailer .....	151
6.4	Influence of Delayed Cash Payment .....	154
6.5	Numerical Examples .....	156
6.6	Concluding Remarks.....	158
<b>7</b>	<b>Game Analysis in Negotiation of Iron Ore Price .....</b>	<b>161</b>
7.1	Introduction .....	161
7.2	Notation and Assumptions.....	163
7.3	Economic Model of the Supply Chain .....	164
7.3.1	The Optimal Production Quantity.....	164
7.3.2	The Optimal Wholesale Price .....	168
7.4	Wholesale Price Negotiation .....	172
7.4.1	The Manufacturer Without Investment First Negotiates .....	174
7.4.2	The Manufacturer with Investment First Negotiates .....	176
7.5	Numerical Examples .....	178
7.6	Concluding Remarks.....	183

<b>8 Conclusions and Further Research Topics</b> .....	187
<b>References</b> .....	189
<b>Subject Index</b> .....	199
<b>Biographical Data-Authors</b> .....	201
