Summary	1
1 Introduction	13
1.1 Background	13
1.2 Research design	20
2 Overview of Laos	22
2.1 Population and geography	23
2.2 Socio-economic indicators	24
2.3 Political framework	27
2.4 Planning and legislation	29
2.5 Economy	30
2.6 Transport and infrastructure	31
3 Laos' trade integration	34
3.1 Opportunities and risks of trade integration	34
3.2 Regional and bilateral trade integration	39
3.3 Joining the WTO	48
4 Laos' agriculture	61
4.1 Structure of the agricultural sector	61
4.2 SWOT analysis of Lao agriculture	70

5	Producing high-value agricultural exports: Background	72
5.1	Elements that determine high value	72
5.2	The importance of value chains and standards for high-value production	79
5.3	Producing high-value agricultural exports in Laos	85
6	Developing high-value agricultural exports in Laos: Product examples	91
6.1	Selection of products	91
6.2	Fruits and vegetables	92
6.2.1	Production and exports	92
6.2.2	Opportunities for developing high-value production and exports	93
6.2.3	Impediments to high-value production and exports and activities to overcome them	95
6.2.4	Recommendations	101
6.3	Coffee	104
6.3.1	Product overview	104
6.3.2	Adding value to coffee production and exports	105
6.3.3	Impediments to developing high-value coffee production and exports	108
6.3.4	Activities to overcome impediments to developing high-value coffee production and exports	111
6.3.5	Recommendations	114
6.4	Tea	116
6.4.1	Production and exports	116
6.4.2	Adding value to tea	117
6.4.3	Impediments to high-value tea exports and activities to overcome them	118
6.4.4	Recommendations	119
6.5	Silk	121
6.5.1	Production and exports	121

6.5.2	Adding value to raw silk production and developing high-value silk handicraft exports	124
6.5.4	Recommendations	128
6.6	Non-timber forest products	130
6.6.1	Overview of NTFPs in Laos	130
6.6.2	Benefiting from the intrinsic high value of NTFPs in exports	136
6.6.3	Adding value to NTFPs	138
6.6.4	Impediments to capitalising on the high intrinsic value of NTFPs in exports and to adding value as well as activities to overcome these impediments	143
6.6.5	Recommendations	150
7	Overarching opportunities, challenges, and recommendations	152
7.1	Opportunities	152
7.2	Challenges	153
7.3	Overarching recommendations	158
	Bibliography	167
	Annexes	
	Annex 1: List of interview partners	179
	Annex 2: Maps	185
