Acknowledgments	xii
Introduction: Land Governance and the Millennium Development Goals	xiii
The Global Agenda.....	xiii
Land Governance.....	xiv
The Land Management Paradigm.....	xvii
Spatially Enabled Government.....	xix
Climate Change.....	xxi
Natural Disaster Prevention and Management.....	xxiii
Conclusion.....	xxvi
1. Key Policy Aspects in Selected Countries	1
1.1: Taking Land Policy and Administration in Indonesia to the Next Stage	1
Introduction.....	1
Land Policy.....	2
NLA Strategic Plan.....	3
Program Implementation.....	4
Conclusion.....	11
1.2: Moving Towards Clear Land Titles in India: Potential Benefits, a Road Map, and Remaining Challenges	14
Introduction.....	14
Conclusive Titles.....	14
A Roadmap for Clear Land Titles.....	15
The Remaining Challenges.....	17
Conclusion.....	19
1.3: Improving Land Administration in Ghana: Lessons and Challenges in Moving Ahead	20
Introduction.....	20
The Land Administration System Prior to the Land Administration Project.....	20
The Land Administration Project.....	21
Challenges.....	23
Conclusion.....	24

2. Innovative Approaches to Improving Land Administration in Africa	25
2.1: Registering and Administering Customary Land Rights: Can We Deal with Complexity?.....	25
Summary	25
Introduction.....	25
The PFR Approach to Securing “Customary” Land Rights through Registration.....	27
Formalize “Customary Ownership” or Bundles of Rights?	32
Recognizing Complex Land Rights: Implications for Land Administration and Regulation	38
Conclusion.....	41
2.2: Designing and Establishing a Land Administration System for Rwanda: Technical and Economic Analysis.....	44
Summary	44
Introduction.....	44
Bringing the Laws into Effect—Researching the Issues	51
Developing the Strategy for Reform	60
The Economic Case for Reform	61
Implementation: Ongoing Challenges, 2009.....	64
2.3: Land Registration Using Aerial Photography in Namibia: Costs and Lessons.....	68
Summary	68
Introduction.....	68
Communal Land Reform.....	70
Status of Registration of Communal Land Rights in January 2008	73
Accelerating Communal Land Registration	75
Status of Registration in January 2009.....	83
3. Technology for Low-Cost Land Administration.....	88
3.1: Positioning Infrastructure and Its Relevance for Sustainable Land Governance.....	88
Summary	88
The Traditional Concept of a Geodetic Datum.....	88
From Geodetic Datums to Positioning Infrastructures	92
The Role of Positioning Infrastructures in Sustainable Land Governance for The Future.....	100
Conclusion.....	101
3.2: A Statewide Land Information System for Natural Resource Management and Disaster Mitigation: Scope for Land Administration.....	103
Summary	103

Introduction.....	103
Land Information System.....	104
Methodology for the Georeferencing of Village Cadastral Maps.....	106
Conclusion.....	119
3.3: First Experiences with High-Resolution Imagery-Based Adjudication Approach in Ethiopia.....	122
Summary	122
Introduction.....	122
Data Collection.....	123
Data Processing.....	126
Lessons Learned	131
Conclusion.....	132
Notes	133
4. Assessing the Impact of Efforts to Improve Tenure Security.....	134
4.1: Hindu Inheritance Law, Land Bequests, and Educational Attainment of Females in India	134
Summary	134
Introduction.....	134
Background	136
Data and Empirical Strategy	139
Results.....	144
Conclusion.....	147
4.2: Gender, Low-Cost Land Certification, and Land Rental Market Participation in Ethiopia	149
Summary	149
Introduction.....	149
The Ethiopian Land Policy: A Brief Historical Overview and Recent Reforms	150
Theoretical Model.....	152
Data and Descriptive Statistics	155
Econometric Issues and Estimation Approach.....	157
Results and Discussion	159
Conclusion.....	161
5. Land Governance for Rapid Urbanization.....	164
5.1: Improving Access to Land and Shelter.....	164
Introduction.....	164
General Status of Urban Land and Shelter.....	169
A Few Lessons: Implementing Shelter and Land Delivery	175
Conclusion.....	178

5.2: Land Information Updating, a De Facto Tax Reform: UpDating the Cadastral Database of Bogotá	180
Summary	180
Introduction.....	180
Cadastral Updating in Bogotá	181
Cadastral Updating Project of Bogotá (CUPB)—Fiscal Year 2009	184
Future Improvements	192
Conclusion.....	194
5.3: Ensuring Access to Land for Private Investors	195
Introduction.....	195
Limitations on Foreign Ownership	195 ¹
The Protection of Foreign Investments in Land	199
Effect of Foreign Investment on Local and Indigenous Populations.....	202
Toward a Uniform Land Law for Foreign Investment?	203
Conclusion.....	204
6. Land Governance in the Context of Climate Change	208
6.1: Deforestation Alerts for Forest Law Enforcement: The Case of Mato Grosso, Brazil	208
Summary	208
Introduction.....	209
Land Categories and Forest Reserves	211
SAD—Sistema de Alerta de Desmatamento.....	212
SAD Results for Mato Grosso	214
Monitoring Forest Reserves in Mato Grosso.....	215
Conclusion.....	218
6.2: Land Tenure and Climate Change Mitigation in the Brazilian Amazon	220
Summary	220
Introduction.....	220
Options for Mitigating Climate Change via Land Use Modification in the Brazilian Amazon.....	222
Current Status of Land Tenure in the Brazilian Amazon: A Typology and Discussion for Understanding Land Use Change.....	223
Ecological-Economic Zoning (<i>Zoneamento Ecologico-Economico—ZEE</i>)	229
Challenges for the Creation and Implementation of Protected Areas	229
Potential Implications of Mitigation Options in the Brazilian Amazon	233
Commodity and Financial Linkages to Land Management: An Incipient Approach to Reducing Deforestation	233

Conclusion.....	234
6.3: Property Rights to Carbon in the Context of Climate Change.....	235
Summary	235
Introduction.....	235
The Life and Times of a Carbon Molecule	236
Climate Change Mitigation Strategies.....	237
Who Controls the Major Forest C Pools?	239
Property Rights to Carbon.....	240
Case Studies	243
Towards a Carbon Cadastre.....	245
Conclusion.....	246
7. Making Land Governance Real.....	249
7.1: The Land Governance Framework: Methodology and Early Lessons from Country Pilots	249
Summary	249
Introduction: The Importance of Good Governance in the Land Sector	249
How Good Land Governance Is Being Measured	250
The Challenges of Addressing Land Governance.....	252
The Substantial Content of the LGAF.....	253
The Methodology for Applying the LGAF	259
Conclusion and Next Steps	262
7.2: Applying the Land Governance Assessment Framework in a Middle-Income Economy: The Case of Peru	271
Introduction: The Peruvian Pilot Program.....	271
The LGAF-Peru Process: The Challenges of Getting the Right Experts and Data.....	274
Key Results.....	276
Policy Conclusions and the Way Forward.....	289
7.3: Moving from Land Titling to Land Governance: The Case of the Kyrgyz Republic.....	292
Introduction.....	292
LGAF Application to the Kyrgyz Republic.....	292
Policy Recommendations	297
Conclusion and Next Steps	298
7.4: Rangeland Administration in (Post) Conflict Conditions: The Case of Afghanistan	300
Summary	300
Introduction.....	300
New Government Policy/Strategy for Rangelands.....	302

Community Administration of Records.....	305
Building Records about Rangeland Tenure	313
Conclusions	317
References	327
