CONTENTS

Preface		vii
Table of Contents		ix
Message from the Prime Minister	<i>The Hon. Paul Keating</i>	3
Keynote papers		
Experiences with Developing More Sustainable Use of Urban Waters	<i>P. Cullen</i>	7
Urban Equity and ESD	<i>J. Falk</i>	13
Corporate Environmental Responsibility: Life Cycle Analysis for Steel	<i>P.E. Jeans</i>	23
"Healthy Sustainable Communities" Planning Framework: Integrated Land Use & Human Services Planning	<i>E. Katsof</i>	33
Resourceful Building Technologies	<i>S. Loken</i>	43
Demand Side Economics/Future Directions	<i>A. Lovins</i>	45
Ecologically Sustainable Development - Is it Possible? How will We Recognise it?	<i>D. A. Munro</i>	49
Urban Planning and Ecocities: The Moral Dimension	<i>P. Newman</i>	59
Design and Practice of 21st Century Industry	<i>H. Okraglik & J. Gertsakis</i>	77
Global Trends in Cleaner Production	<i>D. Reeve</i>	81
But what is Sustainable Development?	<i>T. Trainer</i>	87
Message on behalf of Senator Faulkner	<i>A. Turner</i>	93
Transportation and Sustainability	<i>L.C. Wadhwa</i>	103
Local Government and Ecologically Sustainable Development	<i>P. Woods</i>	113
Sustainability, human and natural resources		
Sustainable Development: Future Blueprints & Green Markets	<i>S. Beder</i>	119

Achieving Ecological Sustainability in the Marine Environment - Resolving Resource Conflicts	<i>W. Craik</i>	127
ESD and the R & D System: How will We Know What We Want to Know?	<i>A. Deville & T. Turpin</i>	141
ESD and Population	<i>J. Goldie</i>	153
The Economics for Sustainability	<i>D. Greene</i>	159
Environmental Asset Management - Better Management of The Pressures on The Coastal Asset	<i>C. Hall & L. Cairnes</i>	165
The Community and Natural Resources Management - Opportunities and Limitations	<i>C. Thomas</i>	175
<i>Case Study: Empowered Regions: A "Bottom-up" Approach to ESD</i>	<i>C. Hunt</i>	183
<i>Case Study: Appropriate Technologies in Developing Countries - Kenya Case Study</i>	<i>R. McDonald</i>	193

ESD and local government

The Energy Efficiency Awards Scheme	<i>R. Verhey</i>	199
Agenda 21: Where to Now?	<i>W. Wescott</i>	201
Global Action - Local Strategy	<i>D. Winterbottom</i>	207
<i>Case Study: The Blackwood Regional Centre - ESD in a Rural Catchment</i>	<i>D. Galloway</i>	213
<i>Case Study: Sustainable Development in Albury/Wodonga: An Award Winning Strategy and Some Problems with its Implementation</i>	<i>R. Thwaites & P. Watkinson</i>	221

ESD and ecotourism

Ecotourism: ESD in Action or Trojan Horse	<i>P.J. Figgis</i>	231
<i>Case Study: Echidna Research and the Greater Community</i>	<i>P. Rismiller & M. McKelvey</i>	243

Sustainability issues in water environment

Public/Private Partnership an Optimal Way of Delivering Infrastructure Projects in the Water Industry	<i>P. Alla</i>	249
The Pesticide Charter	<i>S. Fritz</i>	251
An Integrated Approach against Blue-green Algae	<i>M. Hindmarsh</i>	257

Effluent Membrane Filtration for Wastewater Reuse	<i>V. Mandra, F. Lefevre, C. Anselme & J.M. Audic</i>	261
Ecologically Feasible Pollution	<i>J. Taylor</i>	273
Demand Side Management for Urban Water Supply	<i>S. White</i>	279
<i>Case Study: Groundwater Resources and Land Use Planning for Ecologically Sustainable Development in Perth Metropolitan Region - A Review</i>	<i>A.Q. Rathur</i>	287

Sustainability issues in waste management

Cradle-to-Grave Responsibility: A New Way For Waste Management	<i>J. Denlay</i>	303
Advanced Municipal Landfill Practices - No Liability for Future Generations	<i>K. Hart , K. Haggett, B. Clarke, V. Rudolph, G.W. Swarbrick, B. van der Broek, N. Lambropoulos & R.J. Bishop</i>	311
A Method for the Quantitative Assessment of Building Materials for their Ecological Sustainability	<i>H. Partridge & B. Lawson</i>	313
<i>Case Study: Wollongong City Council "Rise and Shine" Environmental Improvement Campaign</i>	<i>R. Hales</i>	319

Sustainability issues in energy management

Solar Powered Air-conditioning - Is it a Viable Option?	<i>P. Cooper & A. Chan</i>	325
Cooperative Approaches to Energy Conservation	<i>C. Dunstan</i>	331
Energy and Water Conservation	<i>C.W. Reynolds, R.G. Usback & M.K. Johnson</i>	339
Practicalities of Energy Efficient Design	<i>P. Rosier</i>	349
<i>Case Study: Leichhardt Council Encourages Energy Efficient Buildings</i>	<i>B. Seidlich</i>	357

Sustainability issues in agriculture

Sustainable Agriculture: Political and Economic Decision-making	<i>G. Clark</i>	363
---	-----------------	-----

Spirituality of Indigenous Communities - Indigenous Communities and Harmony with Environment	<i>M.K. Kanako</i>	373
Practicing Sustainable Agriculture	<i>O. Whitaker</i>	381
<i>Case Study: Planning for Permaculture</i>	<i>R. Evans & G. Caines</i>	383
<i>Case Study: Moonraker Farm: A Case Study of Ecologically Sustainable Development (ESD)</i>	<i>K. Johnston & A. Lofthouse</i>	385
Case Study: Illawarra Neighbourhood Food Gardens Project: A Catalyst for Community Involvement	<i>T. Mills</i>	391

Environmental regulations, design and education

A Critique of Ecological Architecture	<i>J. Birkeland</i>	397
Ecodesigning the Mainstream: The Question of Planning and the Making of an Other Way	<i>T. Fry</i>	403
The EPA, Partnerships and Innovations	<i>D. Gayler</i>	411
Innovative Approaches to Environmental Regulation	<i>G. Izmir</i>	417
The Environment and Environmental Education - How Do You Get the Message Across?	<i>N. McLaren & B. Ferry</i>	423
Beyond a Colour: The New Understanding of Green in Design	<i>A. Sweatman</i>	429

Sustainability and urban development

The Conservation Viewpoint on Achieving Ecological Sustainability through Appropriate Employment and Investment Strategies	<i>T. Caswell</i>	435
Rapid Transit Review: A Multi-Disciplinary Approach to Transport Planning	<i>K. James, B. McCotter & D. Snashall</i>	437
Sustainable Land Transport	<i>P.G. Laird & A. Adorni-Braccesi</i>	449
Healthy Cities - ESD in Action	<i>P. Mowbray</i>	461
Urban Development and its Way Towards Ecologically Sustainable Future	<i>D. Radovic</i>	467
Planning for Urban Development: ESD in Action or Inaction?	<i>K. Sperling</i>	475

After dinner speech

The Changing Environment
