|   |              |
|---|--------------|
| <b>Preface</b>  | <b>xvi</b>   |
| <b>Abbreviations and other notation used in this book</b> | <b>xviii</b> |
| <b>Chapter 1 The alphabet and pronunciation</b>           | <b>1</b>     |
| 1.1 The Turkish alphabet                                  | 1            |
| 1.2 Consonants  | 2            |
| 1.3 'g' (soft g)  | 4            |
| 1.4 Pronouncing double consonants                         | 5            |
| 1.5 Vowels  | 6            |
| 1.6 Long vowels   | 8            |
| 1.7 Other points affecting pronunciation                  | 8            |
| 1.8 Word stress   | 9            |
| <b>Chapter 2 Spelling and punctuation</b>                 | <b>12</b>    |
| 2.1 Regularity of spelling                                | 12           |
| 2.2 The circumflex  | 12           |
| 2.3 The spelling of foreign names                         | 14           |
| 2.4 The use of capital and lower case letters             | 15           |
| 2.5 The apostrophe  | 16           |
| 2.6 Hyphenation   | 20           |
| 2.7 Other punctuation marks                               | 21           |
| 2.8 The difference between suffixes and particles         | 22           |
| <b>Chapter 3 Forming words and compounds</b>              | <b>23</b>    |
| 3.1 Suffixation   | 23           |
| 3.2 Non-variable suffixes and particles                   | 24           |
| 3.3 Attaching suffixes to words                           | 25           |
| 3.4 Irregular changes in stems and suffixes               | 26           |
| 3.5 Vowel harmony   | 27           |
| 3.6 Vowel loss  | 29           |

|      |   |    |
|------|---|----|
| 3.7  | Consonant alternation: <i>p/b, t/d, ç/c, k/g, k/ğ</i> | 30 |
| 3.8  | Consonant doubling                                    | 31 |
| 3.9  | Reduplication   | 32 |
| 3.10 | Noun compounds  | 34 |
| 3.11 | <i>-(s)i</i> compounds                                | 35 |
| 3.12 | 'Incomplete' words in conjoined structures            | 37 |

## Chapter 4 The noun and the noun phrase 38

|      |   |    |
|------|---|----|
| 4.1  | General   | 38 |
| 4.2  | Modifiers in the noun phrase                          | 38 |
| 4.3  | Functions of the noun phrase                          | 39 |
| 4.4  | Basics of noun inflection                             | 40 |
| 4.5  | Plural marking  | 40 |
| 4.6  | Possessive marking                                    | 42 |
| 4.7  | Ambiguities in possessive marking                     | 43 |
| 4.8  | Ambiguities in the marking of <i>-(s)i</i> compounds  | 44 |
| 4.9  | Case marking  | 45 |
| 4.10 | Noun phrases with no case marker                      | 47 |
| 4.11 | The accusative case marker <i>-(y)i</i>               | 48 |
| 4.12 | The dative case marker <i>-(y)e</i>                   | 50 |
| 4.13 | The locative case marker <i>-de</i>                   | 51 |
| 4.14 | The ablative case marker <i>-den</i>                  | 52 |
| 4.15 | The comitative/instrumental case marker <i>-(y)le</i> | 53 |
| 4.16 | The genitive case marker <i>-(n)in</i>                | 53 |
| 4.17 | The genitive-possessive construction                  | 54 |
| 4.18 | Partitive constructions                               | 55 |
| 4.19 | Definite, indefinite and categorial noun phrases      | 56 |
| 4.20 | Generic noun phrases                                  | 58 |
| 4.21 | The formation of nouns from nouns and adjectives      | 58 |
| 4.22 | The formation of nouns from verbs                     | 60 |

## Chapter 5 Adjectives, determiners, quantifiers 61

|     |  |    |
|-----|--|----|
| 5.1 | Adjectives   | 61 |
| 5.2 | Nouns used as adjectives   | 62 |
| 5.3 | Formation of adjectives with <i>-li</i> and <i>-siz</i>          | 62 |
| 5.4 | Formation of adjectives with <i>-lik</i>                         | 64 |
| 5.5 | Formation of adjectives with <i>-ci</i> and <i>-(y)ici</i>       | 65 |
| 5.6 | Formation of adjectives with <i>-(e)l</i> and <i>-sel</i>        | 65 |
| 5.7 | Formation of adjectives with <i>-(i)msi</i> and <i>-(i)mtrak</i> | 66 |
| 5.8 | Formation of adjectives with <i>-ce</i>                          | 66 |

|   |  |           |
|---|--|-----------|
| 5.9   | Formation of diminutive adjectives with <i>-(e/i)cik</i>             | 67        |
| 5.10  | Other suffixes that form adjectives from nouns and adjectives        | 67        |
| 5.11  | Other suffixes that form adjectives from verbs                       | 67        |
| 5.12  | Formation of adjectivals with <i>-ki</i>                             | 68        |
| 5.13  | Comparative construction with adjectives                             | 69        |
| 5.14  | Superlative construction with adjectives                             | 69        |
| 5.15  | Determiners  | 70        |
| 5.16  | Quantifiers  | 71        |
| <b>Chapter 6 Numerals and numerical expressions</b> |  | <b>73</b> |
| 6.1   | Cardinal numerals  | 73        |
| 6.2   | Ordinal numerals   | 74        |
| 6.3   | Distributive numerals  | 75        |
| 6.4   | The enumerator <i>tane</i>   | 76        |
| 6.5   | Fractions and percentages  | 76        |
| 6.6   | Dates  | 78        |
| 6.7   | Clock time   | 79        |
| 6.8   | Expressions of measure   | 80        |
| 6.9   | Expressions of age   | 80        |
| 6.10  | Arithmetical expressions   | 80        |
| <b>Chapter 7 Adverbials</b>                         |  | <b>82</b> |
| 7.1   | Types of adverbial   | 82        |
| 7.2   | Adjectives used as adverbs   | 83        |
| 7.3   | The formation of adverbs with the suffix <i>-ce</i>                  | 83        |
| 7.4   | The formation of adverbials with <i>bir biçimde</i> or <i>olarak</i> | 84        |
| 7.5   | Locating an event in time  | 84        |
| 7.6   | Days of the week   | 87        |
| 7.7   | Seasons of the year  | 88        |
| 7.8   | <i>Önce</i> and <i>sonra</i>   | 88        |
| 7.9   | Recurring time locations   | 89        |
| 7.10  | Frequency  | 89        |
| 7.11  | Duration in time   | 90        |
| 7.12  | Miscellaneous time-related adverbials <sup>9</sup>                   | 91        |
| 7.13  | Adverbials of place  | 92        |
| 7.14  | Directional adverbs  | 93        |
| 7.15  | Adverbials of manner   | 93        |
| 7.16  | Modal adverbs  | 94        |
| 7.17  | Adverbs of quantity or degree  | 95        |

|   |   |            |
|---|---|------------|
| 7.18                                    | <i>Ancak, yalnız</i> and other exclusive adverbs  | 96         |
| 7.19                                    | Particularizing adverbials  | 96         |
| 7.20                                    | <i>Aynı</i> and other adverbs of precision  | 97         |
| 7.21                                    | Adverbs that have special uses in negative sentences:<br><i>hiç, bir türlü, pek, fazla, o kadar</i>   | 97         |
| <b>Chapter 8 Postpositional phrases</b> |   | <b>99</b>  |
| 8.1                                     | The form and function of postpositional phrases   | 99         |
| 8.2                                     | Bare postpositions  | 99         |
| 8.3                                     | Group 1: Postpositions with non-case-marked or genitive-marked complements  | 100        |
| 8.4                                     | Group 2: Postpositions with dative-marked complements   | 101        |
| 8.5                                     | Group 3: Postpositions with ablative-marked complements   | 102        |
| 8.6                                     | Possessive-marked postpositions   | 104        |
| 8.7                                     | Spatial postpositions   | 104        |
| 8.8                                     | Possessive-marked postpositions outside the spatial group   | 107        |
| 8.9                                     | Postpositional phrases used as adverbials   | 109        |
| 8.10                                    | Postpositional phrases used as subject complements  | 110        |
| <b>Chapter 9 Pronouns</b>               |   | <b>111</b> |
| 9.1                                     | General   | 111        |
| 9.2                                     | Personal pronouns   | 111        |
| 9.3                                     | Omission of personal pronouns   | 113        |
| 9.4                                     | Usage of personal pronouns  | 114        |
| 9.5                                     | Reflexive pronouns: <i>kendi-</i>   | 114        |
| 9.6                                     | Usage of reflexive pronouns   | 116        |
| 9.7                                     | Usage of <i>kendisi</i> as a personal pronoun   | 116        |
| 9.8                                     | Usage of reflexive pronouns for emphasis  | 117        |
| 9.9                                     | Other usages of <i>kendi(-)</i>   | 117        |
| 9.10                                    | Reciprocal pronouns: <i>birbiri-</i>  | 118        |
| 9.11                                    | Demonstrative pronouns: <i>bu, şu</i> and <i>o</i> (and their derivatives <i>bura-/şura-/ora-</i> and <i>böyle/şöyle/öyle</i> )   | 119        |
| 9.12                                    | Usage of <i>bu, şu</i> and <i>o</i> (and their derivatives)   | 123        |
| 9.13                                    | Use of the suffix <i>-(s)i</i> to form pronouns   | 125        |
| 9.14                                    | Use of the suffix <i>-ki</i> to form pronouns   | 127        |
| 9.15                                    | Other pronominal expressions: <i>insan</i> 'one', <i>bir şey</i> 'something', 'anything', 'nothing', <i>kimse</i> 'anyone', 'no one', <i>herkés</i> 'everyone', <i>her şey</i> 'everything' | 128        |

|                   |   |            |
|-------------------|---|------------|
| <b>Chapter 10</b> | <b>Conjunctions</b>   | <b>130</b> |
| 10.1              | General   | 130        |
| 10.2              | <i>ve</i> 'and', <i>-(y)le</i> 'and', <i>-(y)ip</i> and other strategies used to express addition | 131        |
| 10.3              | <i>de</i> 'and', 'too', 'but'   | 133        |
| 10.4              | ... <i>de</i> ... <i>de</i> 'both ... and ...' and other enumerating conjunctions                 | 134        |
| 10.5              | <i>ya (da)</i> 'or' and other conjunctions presenting alternatives                                | 134        |
| 10.6              | <i>ama</i> 'but', <i>fakat</i> 'but' and other adversative conjunctions                           | 135        |
| 10.7              | <i>ki</i> and <i>ya</i>   | 137        |
| 10.8              | <i>çünkü</i> 'because' and other causal conjunctions  | 137        |
| 10.9              | Other conjunctions  | 138        |
| <br>              |   |            |
| <b>Chapter 11</b> | <b>Basic sentence structure</b>   | <b>141</b> |
| 11.1              | General   | 141        |
| 11.2              | Flexibility of word order   | 141        |
| 11.3              | Omission of subject and object  | 142        |
| 11.4              | Sentence types  | 142        |
| 11.5              | Expression of 'be' and 'have'   | 143        |
| 11.6              | Person marking in main clauses  | 143        |
| 11.7              | The expression of tense, aspect and modality  | 143        |
| <br>              |   |            |
| <b>Chapter 12</b> | <b>Person marking in sentences</b>  | <b>145</b> |
| 12.1              | General   | 145        |
| 12.2              | The <i>z</i> -group   | 145        |
| 12.3              | The <i>k</i> -group   | 147        |
| 12.4              | The <i>m</i> -group   | 148        |
| 12.5              | Imperative person marking   | 148        |
| 12.6              | The position of the 3rd person plural marker <i>-ler</i>  | 149        |
| 12.7              | Using the appropriate person marker   | 149        |
| <br>              |   |            |
| <b>Chapter 13</b> | <b>The copula: predicates with <i>-y-</i> ('be') and <i>ol-</i> ('be'/'have')</b>                 | <b>152</b> |
| 13.1              | General   | 152        |
| 13.2              | <i>-(y)di</i> , <i>-(y)miş</i> and <i>-(y)se</i> : the copular markers                            | 152        |
| 13.3              | <i>ol-</i>  | 155        |

|                                     |   |            |
|-------------------------------------|---|------------|
| 13.4                                | <i>ol-</i> in main clauses  | 155        |
| 13.5                                | <i>ol-</i> with subordinating suffixes                                      | 156        |
| <b>Chapter 14 Nominal sentences</b> |   | <b>158</b> |
| 14.1                                | General   | 158        |
| 14.2                                | Linking sentences   | 158        |
| 14.3                                | Types of subject complement   | 159        |
| 14.4                                | <i>Var/yok</i> sentences  | 160        |
| 14.5                                | Locative <i>var/yok</i> sentences ('there is/are' and 'there is no/are no') | 160        |
| 14.6                                | Possessive <i>var/yok</i> sentences ('have' and 'have not')                 | 161        |
| 14.7                                | The overlap between the two types of <i>var/yok</i> sentence                | 161        |
| 14.8                                | Tense, aspect and modality in nominal sentences                             | 162        |
| 14.9                                | <i>değil</i>  | 163        |
| 14.10                               | Overlapping uses of <i>değil</i> and <i>yok</i>                             | 164        |
| <b>Chapter 15 Verbal sentences</b>  |   | <b>165</b> |
| 15.1                                | General   | 165        |
| 15.2                                | Components of a verbal sentence   | 166        |
| 15.3                                | Types of object   | 167        |
| 15.4                                | Use of the direct object  | 168        |
| 15.5                                | Types of verb   | 168        |
| 15.6                                | Verbs with objects that are sentence-like                                   | 170        |
| 15.7                                | Unusual verbs   | 171        |
| 15.8                                | Voice suffixes  | 171        |
| 15.9                                | Causative: <i>-dir</i> (and other forms)                                    | 172        |
| 15.10                               | Passive: <i>-il</i> , <i>-(i)n</i>  | 175        |
| 15.11                               | Impersonal passive constructions  | 176        |
| 15.12                               | Reflexive: <i>-(i)n</i>   | 177        |
| 15.13                               | Reciprocal: <i>-(i)ş</i>  | 178        |
| <b>Chapter 16 The verb form</b>     |   | <b>179</b> |
| 16.1                                | Basics of verb inflection   | 179        |
| 16.2                                | Negating verbs: <i>-me</i>  | 179        |
| 16.3                                | Tense, aspect and modality markers  | 180        |
| 16.4                                | Expressing present tense with <i>-(i)yor</i> and <i>-mekte</i>              | 181        |
| 16.5                                | Expressing present tense with the aorist: <i>-(e/i)r/-z</i>                 | 183        |
| 16.6                                | Expressing the past   | 185        |
| 16.7                                | Completed events in the past: <i>-di</i> and <i>-miş</i>                    | 185        |

|                             |   |            |
|-----------------------------|---|------------|
| 16.8                        | Expressing the future: <i>-(y)ecek</i>  | 187        |
| 16.9                        | Combinations of stem suffixes with the past copular marker <i>-(y)di</i>                                  | 188        |
| 16.10                       | <i>-(i)yordu</i> and <i>-mekteydi</i>   | 188        |
| 16.11                       | <i>-(e)rdil/-(i)rdil-mezdi</i>  | 189        |
| 16.12                       | <i>-mişti/-diydi/-mişmiş</i>  | 189        |
| 16.13                       | <i>-(y)ecekti</i> and <i>-(i)yordu</i>  | 190        |
| 16.14                       | <i>ol-</i> in verbal predicates (compound verb forms)   | 190        |
| 16.15                       | <i>ver-</i> , <i>kal-</i> , <i>dur-</i> as auxiliary verbs  | 192        |
| 16.16                       | The auxiliary verb <i>et-</i> and nominal-verb compounds  | 192        |
| 16.17                       | Subordinating suffixes: <i>-(y)en</i> , <i>-diği/-(y)eceği</i> , <i>-me</i> , <i>-mek</i> , <i>-(y)iş</i> | 193        |
| 16.18                       | Inflection of verbs marked with <i>-diği/-(y)eceği</i> , <i>-me</i> , <i>-mek</i> , <i>-(y)iş</i>         | 194        |
| 16.19                       | The formation of verbs from nouns and adjectives  | 195        |
| <b>Chapter 17 Modality</b>  |   | <b>196</b> |
| 17.1                        | Possibility and impossibility: <i>-(y)ebil</i> and <i>-(y)eme</i>   | 196        |
| 17.2                        | Permission: <i>-(y)ebilir</i>   | 198        |
| 17.3                        | Speculation: <i>-(y)ebilir</i>  | 198        |
| 17.4                        | Obligation: the verbal stem suffix <i>-meli</i>   | 199        |
| 17.5                        | Necessity expressed with <i>gerek/lazım</i>   | 199        |
| 17.6                        | Necessity/obligation expressed with <i>zorunda/durumunda</i>  | 201        |
| 17.7                        | Negating statements of necessity/obligation   | 201        |
| 17.8                        | Commands and prohibitions   | 202        |
| 17.9                        | Suggestions: <i>-(y)eyim</i> , <i>-(y)elim</i> , <i>-sin(ler)</i> and some other forms                    | 204        |
| 17.10                       | Requests and promises: <i>-(e/i)r/-z</i> (aorist)   | 205        |
| 17.11                       | Wishes: <i>-se(ydi)</i>   | 205        |
| 17.12                       | Indirectly or newly acquired information: <i>-miş/-(y)miş</i>   | 206        |
| 17.13                       | Statements of general or wide validity: <i>-dir</i> and <i>-(e/i)r/-z</i> (aorist)                        | 208        |
| 17.14                       | <i>-dir</i> as a marker of formal language  | 209        |
| 17.15                       | Assumptions, conjectures and hopes: modal adverbs, <i>-dir</i> and <i>-(e/i)r/-z</i> (aorist)             | 209        |
| <b>Chapter 18 Questions</b> |   | <b>211</b> |
| 18.1                        | Wh-questions  | 211        |
| 18.2                        | Inflection of wh-phrases  | 212        |
| 18.3                        | <i>Kim</i> 'who', <i>ne</i> 'what' and <i>nere-</i> 'where'   | 215        |

|   |   |            |
|---|---|------------|
| 18.4  | <i>Kaç</i> 'how many' and <i>ne kadar</i> 'how much'            | 217        |
| 18.5  | <i>Hangi</i> 'which'  | 218        |
| 18.6  | <i>Nasıl</i> 'how'  | 219        |
| 18.7  | Yes/no questions  | 219        |
| 18.8  | The position of <i>mi</i> in a predicate                        | 220        |
| 18.9  | <i>değil mi?</i>  | 222        |
| 18.10                                       | <i>öyle mi?</i>   | 223        |
| 18.11                                       | Alternative questions   | 223        |
| 18.12                                       | Rhetorical questions  | 224        |
| 18.13                                       | Questions with <i>ya</i> 'what if', 'what about'                | 224        |
| 18.14                                       | Modal adverbs used in questions                                 | 225        |
| 18.15                                       | Responses to wh-questions                                       | 226        |
| 18.16                                       | Responses to yes/no questions                                   | 227        |
| 18.17                                       | Responses to <i>var mı/yok mu</i>                               | 229        |
| <b>Chapter 19 Word order and intonation</b> |   | <b>230</b> |
| 19.1  | Flexible word order   | 230        |
| 19.2  | Intonation  | 231        |
| 19.3  | Neutral word order and intonation in statements                 | 231        |
| 19.4  | The function of flexible word order and intonation              | 233        |
| 19.5  | Making an item prominent  | 233        |
| 19.6  | The position of adverbs and adverbial clauses                   | 235        |
| 19.7  | Word order and intonation in wh-questions                       | 236        |
| 19.8  | Word order and intonation in yes/no questions                   | 237        |
| 19.9  | When <i>mi</i> does not follow the predicate                    | 238        |
| 19.10                                       | The expression of surprise and disbelief                        | 238        |
| <b>Chapter 20 Relative clauses</b>          |   | <b>240</b> |
| 20.1  | General   | 240        |
| 20.2  | Suffixes that are used in forming relative clauses              | 241        |
| 20.3  | Basic structure of relative clauses with <i>-(y)en</i>          | 242        |
| 20.4  | Basic structure of relative clauses with <i>-diği/-(y)eceği</i> | 242        |
| 20.5  | Tense and aspect in relative clauses                            | 244        |
| 20.6  | The auxiliary verb <i>ol-</i> in relative clauses               | 245        |
| 20.7  | <i>ol-</i> in relative clauses based on nominal sentences       | 246        |
| 20.8  | Pronominal relative clauses                                     | 247        |
| 20.9  | Special uses of <i>-(y)ecek</i>                                 | 248        |
| 20.10                                       | Complex structures involving genitive-possessive constructions  | 249        |

|                   |  |            |
|-------------------|--|------------|
| 20.11             | Relative clauses involving possessive-marked postpositions   | 250        |
| 20.12             | Ordering relative clauses with respect to other modifiers  | 251        |
| 20.13             | Using <i>ki</i> in relative clauses  | 251        |
| <b>Chapter 21</b> | <b>Noun clauses</b>  | <b>252</b> |
| 21.1              | The function of noun clauses in the sentence   | 252        |
| 21.2              | The form of noun clauses   | 252        |
| 21.3              | Noun clauses with <i>-mek</i>  | 254        |
| 21.4              | <i>-mek</i> clauses as object of main verb   | 254        |
| 21.5              | Noun clauses with <i>-me</i>   | 256        |
| 21.6              | Possessive-marked <i>-me</i> clauses as subject of the sentence  | 257        |
| 21.7              | Possessive-marked <i>-me</i> clauses as objects of verbs   | 258        |
| 21.8              | <i>-mek</i> and <i>-me</i> clauses with <i>iste-</i> as main verb: wanting to do something/wanting something to happen | 258        |
| 21.9              | Possessive-marked <i>-me</i> clauses in indirect commands  | 259        |
| 21.10             | Noun clauses with <i>-diđi/- (y)eceđi</i>  | 260        |
| 21.11             | Indirect statements  | 260        |
| 21.12             | Indirect questions   | 261        |
| 21.13             | Noun clauses with <i>-(y)iđ</i>  | 263        |
| 21.14             | Overlapping uses of <i>-me</i> , <i>-diđi</i> and <i>-(y)iđ</i>  | 264        |
| 21.15             | The auxiliary verb <i>ol-</i> in noun clauses  | 264        |
| 21.16             | Noun clauses formed with <i>diye</i>   | 264        |
| 21.17             | Noun clauses formed with <i>ki</i>   | 265        |
| <b>Chapter 22</b> | <b>Adverbial clauses</b>   | <b>266</b> |
| 22.1              | General  | 266        |
| 22.2              | <i>-diđi gibi</i> , <i>-(y)eceđi gibi</i>  | 268        |
| 22.3              | <i>-diđi halde</i> , <i>-(y)eceđi halde</i>  | 268        |
| 22.4              | <i>-diđi için</i> , <i>-(y)eceđi için</i>  | 269        |
| 22.5              | <i>-diđi kadar</i> , <i>-(y)eceđi kadar</i>  | 269        |
| 22.6              | <i>-diđinden beri</i>  | 269        |
| 22.7              | <i>-diđine göre</i> , <i>-(y)eceđine göre</i>  | 270        |
| 22.8              | <i>-diđi takdirde</i>  | 270        |
| 22.9              | <i>-diđi zaman</i> , <i>-diđinde</i> , <i>-(y)eceđi zaman</i>  | 270        |
| 22.10             | <i>-dikçe</i>  | 271        |
| 22.11             | <i>-dikten sonra</i>   | 271        |
| 22.12             | <i>-meden (önce)</i>   | 271        |
| 22.13             | <i>-mek için</i> , <i>-meye</i> , <i>-mesi için</i>  | 272        |

|       |  |     |
|-------|--|-----|
| 22.14 | -mek üzere   | 272 |
| 22.15 | -mekle   | 273 |
| 22.16 | -mekle birlikte                                    | 273 |
| 22.17 | -mektense  | 273 |
| 22.18 | -(y)e . . . -(y)e                                  | 273 |
| 22.19 | -(y)eceğine  | 274 |
| 22.20 | -(y)ecek kadar                                     | 274 |
| 22.21 | -(e/i)r . . . -mez                                 | 274 |
| 22.22 | -(y)eli (beri)                                     | 275 |
| 22.23 | -(y)erek   | 275 |
| 22.24 | -(y)ince   | 275 |
| 22.25 | -(y)inceye kadar                                   | 276 |
| 22.26 | -(y)ken  | 276 |
| 22.27 | Adverbial clauses formed with <i>diye</i>          | 277 |
| 22.28 | Adverbial clauses formed with <i>gibi</i>          | 278 |
