INTRODUCTION	11
Part 1	
THE CONDITIONS OF THE REFORM PROCESS	19
1. THE POLITICAL CIRCUMSTANCES OF THE BIRTH AND IMPLEMENTATION OF “GAIDAR’S PROGRAMME”	19
1.1 The political genesis of the Yeltsin-Gaidar Government	19
1.2 The sources of political conflicts and anti-reform pressures	21
1.3. The tactics of the President and the Government. Relations with the Regions	23
1.4. The situation following Gaidar’s departure	27
1.5. Conclusions for other Eastern European states	28
2. THE MACROECONOMIC AND SYSTEMIC LEGACY OF THE FORMER SOVIET UNION	29
2.1. The agony of the old system	29
2.2. Progressive destabilization under perestroika	30
2.3. The fall of the Soviet Union	31
2.4. Differences in the situation of Poland and Russia at the start of their respective reform projects	33
3. DEBATE ON THE GUIDELINES OF RUSSIAN ECONOMIC REFORM AT THE END OF 1991 AND IN 1992	36
3.1. Alternative reform concepts in late 1991	36
3.2. Program disputes in 1992	39
3.3. Boris Fyodorov’s stabilization plan	42
3.4. Conclusions	43
4. THE STATE WITHOUT BORDERS: THE GRADUAL COLLAPSE OF THE ROUBLE ZONE AND ITS CONSEQUENCES	47
4.1. The situation at the end of 1991: The collapse of the Soviet Union and the emergence of Russia	47
4.2. Common currency and its inflationary effect	48
4.3. The beginning of the end of the rouble zone in mid-1992	50
4.4. The emergence of new currencies	52
4.5. The Bishkek and Minsk agreements: The last attempts to save the rouble zone	54
4.6. The collapse of commercial links within the former Soviet Union	56
4.7. Possible solutions for the future	58

5. LIBERALISATION OF PRICES AND OF DOMESTIC MARKET	67
5.1. Liberalisation of prices	67
5.2. Vestiges of price controls	68
5.3. Failed attempt to return to price controls	71
5.4. Liberalisation of the domestic market	72
5.5. Act on enterprises and economic activity (of December 25, 1990)	72
5.6. State of market equilibrium	74
6. EXTERNAL LIBERALISATION	77
6.1. First stage of liberalisation	77
6.2. The changes of mid-1992	79
6.3. Consequences of export barriers	80
7. DEMONOPOLISATION AND DECONCENTRATION OF RUSSIA'S ECONOMY	83
7.1. The act on competition and curbing of monopolistic activities on commodity markets (of March 22, 1991)	83
7.2. Changes in subject pattern of the economy in practice	85
7.3. Demonopolisation and deconcentration in Russia from the angle of the Polish experience	86
8. FIRST STAGE OF PRIVATISATION	87
8.1. The origins of Russian privatisation	87
8.2. Advancement of privatisation in 1992	88
8.4. The areas of Russian privatisation	94
8.5. Conclusions for Polish privatisation programme from Russian experience	100
9. BEGINNINGS OF FINANCIAL MARKET	113
9.1. General remarks	113
9.2. Banking legislation of the Russian Federation.	114
9.3. Description of the existing commercial banks.	121
9.4. Foreign exchange operations of commercial banks. Foreign currency exchange.	123
9.5. Stock market	124
9.6. Insurance	129

Part 3	
UNSUCCESSFUL STABILIZATION	131
10. MONETARY POLICY AND INFLATION	133
10.1. Sources of monetary expansion	133
10.2. Cheap credit for the economy	135
10.3. Paradoxical reaction of commercial banks	136
10.4. Interest rate and other money policy instruments	137
10.5. Exchange rate	138
10.6. Inflation	139
11. FISCAL POLICY	150
11.1. State finances at the final stage of the USSR	150
11.2. Situation in the state budget in 1992	151
11.3. Taxation policy in 1992	155
11.4. Perspectives of tax and budget policies in 1993	158
12. MUTUAL DEBT OF ENTERPRISES	183
12.1. Extraordinary scale of mutual debt on the territory of the former USSR	183
12.2. Reasons for the explosion of mutual debt	183
12.3. Non-market methods of solving the problem of mutual debt	187
12.4. Market methods of debt rescheduling	190
12.5. Conclusions for Poland	191
Part 3	
1992 PERFORMANCE	197
13. RUSSIA'S MAIN MACROECONOMIC INDICATORS FOR 1992	199
13.1. Financial policy	199
13.2. Monetary policy	200
13.3. Industrial production	202
13.4. Employment and unemployment	202
13.5. Consumer market	203
13.6. Standard of living of the population	204
Annex to Chapter 13	
STATISTICAL INDICES FOR 1992	207
CONCLUSION	231
C.1. Balance sheet of gains and losses	231
C.2. The lessons for Poland and Eastern Europe	233
C.3. Possible scenarios for Russia	235
