The following symbols have been used in this Economic Review:

- ... to indicate that data are not available;
- to indicate that the figure is zero or less than half the final digit shown, or that the item does not exist;
- between years or months (e.g., 1992-93 or January-June) to indicate the years or months covered, including the beginning and ending years or months;
- / between years (e.g., 1992/93) to indicate a crop or fiscal (financial) year.

"Billion" means a thousand million.

Minor discrepancies between constituent figures and totals are due to rounding.

All references to dollars are to U.S. dollars unless noted otherwise.
