

DECISION MAKING AND CHANGE IN HUMAN AFFAIRS

*Proceedings of the Fifth Research Conference on Subjective
Probability, Utility, and Decision Making, Darmstadt, 1-4 September, 1975*

Edited by

HELMUT JUNGERMANN

Technische Hochschule Darmstadt, B.R.D.

and

GERARD DE ZEEUW

Universiteit van Amsterdam, Holland

D. REIDEL PUBLISHING COMPANY

DORDRECHT-HOLLAND / BOSTON-U.S.A.

TABLE OF CONTENTS

Preface	VII
List of Participants	XI
 <i>Part I: Approaches to Real-Life Situations: Problems of Improvement</i>	
Editors' Introduction	3
P. Slovic, B. Fischhoff, and S. Lichtenstein: Cognitive Processes and Societal Risk Taking	7
H. Jungermann: Cognitive Processes and Societal Risk Taking/Comments	37
A. H. Murphy and R. L. Winkler: The Use of Credible Intervals in Temperature Forecasting: Some Experimental Results	45
R. Kietlinski: Decisions Concerning Job Choice	57
E. Hession: The Application of Multi-Attribute Utility Models to some Uncertain Decision Situations in Areas of Business and Public Policy	67
K. M. Aschenbrenner: Influence of Attribute Formulation on the Evaluation of Apartments by Multi-Attribute Utility Procedures	81
E. Jaquet-Lagrezze: Modelling Preferences Among Distributions Using Fuzzy Relations	99
G. R. Chesley: Subjective Probability Elicitation: A Comparison of Performance Variables	115
R. L. Winkler: Rewarding Expertise in Probability Assessment	127
J. A. Wise: The Psychology of the Ouija Board	141
 <i>Part II: Analysis and Improvement of Models and Methods</i>	
Editors' Introduction	161
P. Humphreys: Application of Multi-Attribute Utility Theory	165
V. Bauer and M. Wegener: Applications of Multi-Attribute Utility Theory/Comments	209
J. L. Grzelak, T. B. Iwiński, and J. J. Radzicki: "Motivational" Components of Utility	215

R. M. Hogarth: Methods for Aggregating Opinions	231
M. Toda: Methods for Aggregating Opinions/Comments	257
C.-A. S. Staël von Holstein: The Continuous Ranked Probability Score in Practice	263
S. Lichtenstein, B. Fischhoff, and L. D. Phillips: Calibration of Probabilities: The State of the Art	275
K. Borcharding: Calibration of Probabilities: The State of the Art/Comments	325
R. E. Schaefer, K. Borcharding, and C. Laemmerhold: Consistency of Future Event Assessments	331
H. Montgomery: A Study of Intransitive Preferences Using a Think Aloud Procedure	347
<i>Part III: Perspectives for Further Inquiry in Decision Theory</i>	
Editors' Introduction	365
T. S. Wallsten: Measurement and Interpretation of Beliefs	369
G. de Zeeuw: Measurement and Interpretation of Beliefs/Comments	395
G. F. Pitz: Decision Making and Cognition	403
D. Wendt: Decision Making and Cognition/Comments	425
E. Hollnagel: Cognitive Functions in Decision Making	431
G. D. Kleiter: Optimal Policies, Degradation, and Cognition	445
M. Toda: Optimal Policies, Degradation, and Cognition/Comments	455
W. A. Wagenaar: Decision Making and Numerical Structuring	461
A. F. M. Smith: Bayesian Statistics and Efficient Information Processing Constrained by Probability Models	479
W. W. Gasparski and K. Szaniawski: Praxiology and Decision Theory	491
L. D. Phillips and C. N. Wright: Cultural Differences in Viewing Uncertainty and Assessing Probabilities	507
Index of Names	521
