TABLE OF CONTENTS

Preface	xi
PART I: OVERVIEW: THE MAJOR ISSUES.....	1
Threats to Global Water Security: Population Growth, Terrorism, Climate Change, or Commercialisation?.....	3
J.A.A. Jones	
Less is More: Approaching Water Security and Sustainability From the Demand Side.....	15
D.B. Brooks and J. Linton	
Water Security of Nations: How International Trade Affects National Water Scarcity and Dependency.....?	27
A.Y. Hoekstra	
Reducing the Risk: Drought Mitigation and the Economy of Irrigation.....	37
S. Szalai and L. Cselotei	
Working Group I: Risk Assessment and Water Governance.....	45
Chair and rapporteur: D. Brooks	
PART II: WATER QUALITY AND TERRORISM.....	49
Drinking Water Security in Crisis Situations From a Medical Perspective.....	51
A.E. Gurzau, C. Borzan, I.R. Lupsa, L.O. Sfetcu, A.L. Ivan and S. Gurzau	
Biosensors in a System of Instrumental Tools to Prevent Effects of Bioterrorism and Automotive Control of Water Process Purification.....	59
N.F. Starodub	
A High Sensitivity Nuclear Method for Real-Time Detection of Elements and Compounds in Drinking Water and Soil.....	73
P. Backup	
Natural Disasters and Surface and Subsurface Water Pollution Risk Assessment for Some Regions of Georgia.....	83
T. Davitashvili	
Storm Surges on the Southern Coast of Gulf of Riga: Case Study of the Lielupe River.....	91
T. Koltsova and J. Belakova	

<i>Ground Water Vulnerability Assessment of the Aparan Aquifer, Republic of Armenia, and its Representation in a 3-D Model</i>	99
A. Aghinian	
Wastewater Modeling to Reduce Disaster Risk From Groundwater Contamination.....	107
N. Haruvy and S. Shalhevet	
Survival in Groundwater and FT-IR Characterization of Some Pathogenic and Indicator Bacteria.....	117
Z. Filip and K. Demnerova	
Working Group II: The Threat From Armed Conflict and Terrorism.....	123
Chairs and rapporteurs: S. Arlosoroff and J.A.A. Jones	
PART III: MANAGING EXTREME EVENTS AND CLIMATE CHANGE	129
Climate Change, Glacier Retreat, and Water Availability in the Caucasus Region.....	131
M. Shahgedanova, W. Hagg, D. Hassell, C.R. Stokes and V. Popovnin	
Risk Management and Mitigation in Highly Urbanized River Basins.....	145
S. Pagliara	
Spatial Data Integration for Emergency Services of Flood Management.....	155
Gh. Stancalie, V. Craciunescu and A. Irimescu	
The Use of Remote Sensing and CIS Techniques in Flood Monitoring and Damage Assessment: A Study Case in Romania.....	167
A. Irimescu, Gh. Stancalie, V. Craciunescu, C. Flueraru and E. Anderson	
Flooding in Afghanistan: A Crisis.....	179
E. Hagen and J.F. Teufert	
Human Factors in the Floods of Romania.....	187
B. Constantin-Horia, S. Simona, P. Gabriela and S. Adrian	
Development of Dangerous Geodynamic Processes in the South Caucasus and the Problem of Mitigating Their Consequences.....	193
I.V. Bondyrev and E.D. Tsereteli	
Threats in the Tianshan-Pamir Region of Kyrgyzstan.....	199
I. Hadjamberdiev, V. Shablovsky and V. Ponomarev	

Long-Term Prognosis of High Flows in the Mountain Rivers of Georgia.....	207
T. Basilashvili	
Water Disasters in the Territory of Armenia.....	215
T. Vardanian	
The Floods on the River Danube in 2006: Social Impact and Remedial Processes.....	225
M. Lazarescu	
The Analysis of Dangerous Hydrological Processes for the Terek River Basin.....	233
N.I. Alexeevskiy and N.L. Frolova	
Floods and Their Risk Assessment in East Siberia.....	247
L.M. Korytny, N.V. Kichigina and V.A. Cherkashin	
Removing Chlorine-Containing Organic Compounds in the Environment After Floods.....	253
G. Torosyan and S. Harutyunyan	
Calibration of an Atmospheric/Hydrological Model System for Flood Forecasting in the Odra Watershed.....	257
H.-T. Mengelkamp	
The Role of Meteorological Models in the Prediction of Weather Hazards - The European Approach.....	265
C. Cassardo	
Extending the Danube Flood Forecasting System With the Use of Meteorological Ensembles.....	277
A. Csik and G. Balint	
Working Group III : Threats Due to Climate Change - Global Problems in a Regional Context.....	281
Chair and rapporteur: P. Robinson	
PART IV: PROTECTING AQUATIC ECOSYSTEMS.....	285
Assessment of Risks and Possible Ecological and Economic Damage from Large-Scale Natural and Man-Induced Catastrophes in Ecologically Vulnerable Regions of Central Asia and the Caucasus.....	287
A.N. Valyaev, S.V. Kazakov, A.A. Shamaeva, O.V. Stepanets, H.D. Passed, V.P. Solodukhin, V.A. Petrov, G.M. Aleksanyan, D.I. Aitmatova, R.F. Mamedov and M.S. Chkhaitishvili	

Environmental Management of Intentional or Accidental Environmental Threats to Water Security in the Danube Delta.....	305
L.-D. Galatchi	
Preventing Disaster on French Creek, One of the Most Biologically Diverse Rivers in North America.....	317
J.O. Palmer and E. Pallant	
Appraisal of Methodology of Ecological Risks Assessment Arising from Pollution of the Rivers of the Ukraine.....	323
V.D. Romanenko, S.A. Afanasyev and A.I. Tsybulskiy	
Emergency Response and Water Security of the BTC Pipeline in Ecologically Sensitive Areas of Georgia.....	333
M. Devidze	
PART V: INFRASTRUCTURE -TECHNICAL INNOVATIONS AND FAILURES.....	337
Effects of Reservoirs on Streamflow in the Boreal Region.....	339
Ming-Ko Woo and R. Thome	
Hydrogeological Factors and the Safe Operation of Hydraulic Structures.....	349
R. Minasyan and S. Zeizafoun	
Evaluation of the Effect of a Water Hammer on the Failure of a Corroded Water Pipeline.....	353
G. Pluvinage, C. Schmittand E. Hadj.Taeib	
Sewer System Condition, Type of Sewers and Their Impacts on Environmental Management.....	359
S. Stanko and I. Mahrikova	
PART VI: RESTORING THE WATER RESOURCES OF THE ARAL SEA BASIN.....	365
The Aral Sea: A Matter of Mutual Trust.....	367
Y. Kamalov	
Extreme and Average Glacier Runoff in the Amudarya River Basin.....	371
V. Konovalov	
Future of the Aral Sea and the Aral Sea Coast.....	377
V.A. Dukhovny, A.I. Tuchin, A.G. Sorokin, I. Ruziev and G.V. Stulina	

Natural Disaster: Prevention of Drinking Water Scarcity.....	381
R.A. Khaydarov, R.R. Khaydarov and S.Y. Cho	
Estimation of Ecological Risk of Transboundary Pollution of the Amu River.....	385
L. Kondratjeva and N. Fhisher	
On the Development of a Strategy for the Optimal Use of the Upstream Water Resources of the Amudary Basin in the National Interests of the Tajik Republic.....	389
S. Navruzov	
Integrated Management Strategy for Transboundary Water Resources in Central Asia.....	395
I.Sh. Normatov and G.N. Petrov
