Contents

Foreword.....	V
Acknowledgements.....	VII
List of abbreviations.....	XIII
1 Introduction.....	1
1.1 Overview.....	1
1.2 Provision of ODA.....	5
1.2.1 Actors and institutions.....	5
1.2.2 ODA volume and instruments.....	6
1.3 Allocation of ODA.....	7
1.3.1 International and national ODA allocation.....	7
1.3.2 Underlying allocation policies.....	7
1.4 Utilization of ODA.....	9
1.4.1 Causal links between ODA, growth and poverty reduction.....	9
1.4.2 Macroeconomic impact of ODA inflows.....	10
1.5 Propositions and structure.....	11
2 The provision of ODA.....	13
2.1 Halving poverty by doubling aid?.....	13
2.2 Actors in the provision of ODA.....	14
2.2.1 Multilateral donor agencies.....	14
2.2.2 Regional donor agencies.....	17
2.2.3 Bilateral donors.....	18
2.2.4 Non-governmental organizations.....	19
2.3 Present ODA volume.....	19
2.3.1 Definitions.....	19
2.3.2 Empirical analysis of ODA flows.....	21
2.3.3 Summary.....	32
2.4 Estimates of ODA requirements.....	33

2.4.1	Cost estimates to achieve the Millennium Development Goals.....	34
2.4.2	Cost estimates to finance the HIPC Initiative.....	38
2.5	Innovative sources of development finance.....	40
2.5.1	Overview.....	40
2.5.2	International taxation.....	41
2.5.3	Lottery systems.....	56
2.5.4	International Finance Facility.....	59
2.5.5	IMF financing operations.....	65
2.5.6	Comparison and conclusion.....	67
2.6	Donor coordination.....	69
2.6.1	Gains and forms of donor cooperation.....	69
2.6.2	Coordination among multilateral and regional donors.....	73
2.6.3	Coordination among European donors.....	75
2.6.4	Limits of donor coordination.....	77
2.6.5	Pooling of official development resources.....	79
2.7	Summary and conclusions.....	82
3	The allocation of ODA.....	85
3.1	Introduction.....	85
3.2	Present allocation of ODA.....	86
3.2.1	Data sources and limitations.....	86
3.2.2	ODA recipient regions and countries.....	87
3.2.3	Factors explaining bilateral and multilateral aid allocation.....	89
3.3	Optimal allocation, aid targeting and selectivity.....	93
3.3.1	The role of "good policies".....	94
3.3.2	Optimal allocation rules.....	96
3.3.3	Aid targeting and poverty focus of ODA.....	100
3.3.4	Selectivity policies of bilateral and multilateral donors.....	102
3.3.5	Extensions of the selectivity approach.....	104
3.3.6	Millennium Challenge Account.....	105
3.3.7	Summary and conclusions.....	109
3.4	Goal-oriented development cooperation.....	110
3.4.1	Description of the MDG.....	110
3.4.2	Progress towards reaching the MDG.....	112
3.4.3	Millennium Project and MDG+5.....	115
3.4.4	MDG needs assessment.....	116
3.4.5	A global plan to combat poverty?.....	119
3.5	From debt restructuring to debt relief.....	121
3.5.1	A brief history of early debt restructuring efforts.....	121
3.5.2	Club solutions of restructuring debt.....	125
3.5.3	Highly Indebted Poor Country Initiative (HIPC).....	130

3.5.4 Multilateral debt relief: 100% debt cancellation?.....	136
3.5.5 Summary and conclusions.....	138
3.6 From structural adjustment programs to poverty reduction strategies.....	141
3.6.1 Structural Adjustment Programs and conditionality.....	141
3.6.2 Washington Consensus and Post-Washington Consensus.....	146
3.6.3 Poverty reduction strategy papers (PRSP).....	149
3.6.4 Summary.....	160
3.7 Summary and conclusions.....	162
4 The utilization of ODA.....	165
4.1 Sectoral decomposition of ODA.....	165
4.1.1 Data and definitions.....	165
4.1.2 ODA commitments according to sector.....	167
4.2 ODA and economic growth.....	171
4.2.1 Theoretical approaches.....	171
4.2.2 Empirical observations.....	192
4.2.3 Summary.....	194
4.3 ODA, inequality, poverty and growth.....	195
4.3.1 Definitions.....	196
4.3.2 Conflicting paradigms.....	199
4.3.3 Trickle-down growth.....	200
4.3.4 Pro-poor growth.....	202
4.3.5 Distribution with growth.....	206
4.3.6 Direct sectoral policies.....	209
4.3.7 Indirect growth impact on poverty via transfers.....	210
4.3.8 Empirical observations.....	213
4.3.9 Summary.....	220
4.4 Macroeconomic consequences of ODA.....	221
4.4.1 Diminishing returns, absorptive capacity and dependency	221
4.4.2 Additionality and crowding out effects.....	225
4.4.3 Impact on recipient countries' absorption and spending	227
4.4.4 Type of aid and government revenue.....	228
4.4.5 Dutch Disease effects of additional aid.....	231
4.4.6 Additional ODA and corruption.....	233
4.4.7 Additional ODA and aid volatility.....	234
4.4.8 Impact on ODA distribution.....	235
4.4.9 Summary and conclusions.....	236
5 The role of regional conditions for poverty reduction and ODA ...	239
5.1 Economic development vs. poverty reduction.....	239
5.2 Region-specific conditions in economic development.....	243

XII Contents

5.2.1 The historical origins of diverse regional conditions.....	243
5.2.2 The impact of region-specific conditions on economic development.....	246
5.3 Region-specific conditions, poverty reduction and ODA.....	271
5.3.1 Is there a case for ODA in poverty reduction?.....	271
5.3.2 Poverty reduction according to different types of poverty....	273
5.3.3 Rural poverty and agricultural productivity growth.....	274
5.3.4 ODA subsidies to the poor.....	279
5.3.5 ODA to fight infectious diseases.....	280
5.4 Reforming ODA: Proposals and future research.....	281
6 Resume.....	285
References.....	287
